Foreword

IT affords the staff of 1928 great pleasure to present this, the eighth issue of the McKinleyite to the students of McKinley High School. In arranging the contents of this volume, we have endeavored to adequately represent every activity. To recall to, and to refreshen in the minds, the memories of one's happiest days, has been our chief aim in publishing this book. We sincerely hope that our efforts have not been in vain but that we have fulfilled our duty to the student body of 1928.

SENIOR CLASS REVIEW

DURING the three years that the Class of '28 has spent at McKinley it has accomplished many worthwhile things. Above all we have upheld the high standards of McKinley High School, and its lofty ideals of good sportsmanship.

As Sophomores we started to establish a fund which in our Senior year was to be used for the good of the school. Our first attempt toward this goal was the sponsoring of a movie, "The Iron Horse," an historic film of the building of the Union Pacific Railway.

Our athletic career during this first year at McKinley was remarkable. In the first interclass event of the year, a relay carnival, we took first place by defeating the Juniors and Seniors. Our girls' and boys' basketball teams also showed true class spirit.

The Junior year proved even more successful than the preceding one. We had a surprisingly large number of boys on varsity football, basketball, swimming and track teams. The majority of members on the varsity debate team were Juniors. Two very interesting and original parties were held this year.

Perhaps the most outstanding event of the year was the presentation of "The Thirteenth Chair," under the able direction of Miss Iris Haverstack. The plot centers about the murder of a member of a spiritualist seance which is composed of thirteen people. Not having been presented for several years this type of play was very well received.

In honor of the graduating class of '27 we gave the Junior-Senior reception. Because of the large size of the classes it was necessary to hold the reception at the Land O' Dance. The decorations were typical of springtime, and the favors also carried out the scheme. A tableau representing prominent activities and events of the Senior class was given by the Juniors. A shadowgraph depicting various scenes of life at McKinley was also given.

Our Senior year was the crowning glory of our High School career. Success was due largely to our class officers and guardians. Dwight Clark was *president;* Jack Roemer, *vice-president;* Betty James, *secretary;* Tom Samuels, *treasurer.* No one could have been more helpful nor could have shown more interest in the class than Mr. Metzger, the chairman of our class guardians. The guardians were Miss Broda, Mr. Garl, Mr. Gilmore, Miss Hill, Miss Housley, Mr. Leist and Mr. Smith.

We enjoyed a most successful football season, losing but one game in a hard schedule. The Seniors who received letters are Rittersbaugh, captain; Kaufman, Hodnick, Goss, Samuels, Barrett, Jurekovic, Esmont, Coombs, Maurer, Kelly, Harbert.

On December 9 and 10 the Senior Glee Clubs combined with the McKinley orchestra presented an operetta, "Tulip Time in Holland." It is the story of the adventures of a college tour in the land of wooden shoes and windmills.

Considering the hard schedule the basketball team had,the season was successful. The following Seniors were awarded letters, Hodnick, captain; Daniels, Campbell, Barrett, Rittersbaugh, Esmont, Jurekovic, Clark.

The parties of our Senior year were even more delightful than those of former years. We enjoyed the lovely reception which the Junior class gave for us.

We hope that the class of '28 will ever uphold the high ideals formed at McKinley.

CLASS - POEM

By JANE WEILER, '28

When Knights Are Bold

The gates have opened on a shining world,
The sun is bright, and oh—the air is sweet;
And far ahead the road goes winding down
To find the world that sparkles at our feet,
Within our veins the pulsing urge to go—
To conquer realms that wait for us below.

For youth is brave and debonair and gay,
Who sees the world a laughing, lovely place,
And longs to go acoursing down the way,
Astride a steed, with winds against the face;
With armor that is silver in the sun,
A sword against the side—a studded one.

But Oh, the road is far, the road is long,
A rocky path among the narrow ways;
And there are nights without a single star—
A thousand damp interminable days;
And singing youth will bend before the years,
The first gay songs will melt away in tears.

But this we know; though tangled are the ways,
Infested with a million direful frights,
The armor that we wear is firm and sound,
An Alma Mater's gift to us—her knights,
Intact, unbent, untouched by any blow,
We stand invincible against the foe.

For Knowledge is an armor that is strong,
Experience, a broadsword that rings true;
Self-confidence, a gleaming, dauntless shield,
Gifts glorious, McKinley—gifts from you.
And when we reach that priceless goal, success,
Your memory will crown our happiness.

· JUNIOR CLASS REVIEW ·

IN REVIEWING the Class of '29, we Juniors feel that we have accomplished many noteworthy things during our two years at McKinley. Our class spirit has been of the highest type, but before this we have placed school spirit. It has always been our aim to promote the bigger and better things for which McKinley stands.

As Sophomores, it did not take us long to become accustomed to the school life. Through the kindly interest taken in us by the other classes we soon felt ourselves a part of the organization. We furnished excellent material for the various varsity teams as well as for the class teams. In the relay carnival the Sophomores took second place, while the girls were the victors in the indoor baseball series.

Our Junior year has been filled with remarkable achievements. We feel that we owe this success to our splendid officers, committees, council members, and guardians. In November, council members and alternates were elected to represent each home room. The nominations for the class officers were voted upon with the following results: Allan Rudy, *president;* Dorothy Noble, *vice-president;* Donald Tracey, *secretary;* and Junius Ferrall, *treasurer.* The class guardians are Miss Hawkins, Miss Earseman, Miss Leah Stonehill, Mr. Carter, Mr. Porter, Mr. Knauss, Mr. Lanning, and Mr. Malick.

The first social event of the year was a party held November 18, in the Music Room, which was attractively decorated in blue and white. After a talk in which our president stressed scholarship, athletics, and the class play, our other officers were introduced. We were entertained

by Mr. Amos Rohn, who performed many mystifying tricks. Dancing followed in the Music Room.

The second class party was held March 10, in the Music Room. In keeping with the year a leap year party was given. It was a most unusual and clever party. The decorations were in honor of St. Patrick's Day.

A rollicking collegiate comedy, "The Poor Nut," was presented by the Juniors in the school auditorium March 16 and 17. The cast included about fifty members of the class.

The class was well represented on the debate teams as well as athletic teams. A large number of Juniors were on the varsity and reserve football and basketball squads. Those who received the "M" were Harbert, Miller, Ferrall, Lieber, Green, Lab, Zeren, and Culp. Of the four sports in which girls participate, the Juniors won the championship in three: volleyball, hockey and basketball. Those who received the numeral for hockey were Feightner, Gould, Delp, Hess, Leuthi, Johnston, Noble, Copthorne, Converse, K. Zaugg, Huntsberger and Cool. The girls who received recognition for basketball were: Stabe, Shaeffer, Wynn, Johnston, Giles, English, Lundy, Gould, Delp, E. Smith, Huntsberger, Hess, Strikowsky, Anderson, Phillips, and Zaugg.

We hope that any effort on our part toward the betterment of the school has been successful. We feel that everything accomplished by the class was made possible by the splendid support given us by our guardians and the other classes. We take this opportunity to thank them for their whole-hearted interest in all the class attempted, and hope that by their help and advice we may next year carry on and ably fill the place left for us by the present Senior class.

SOPHOMORE CLASS REVIEW

WHEN we entered McKinley at the beginning of this year we were the largest class in the history of the school. We are very grateful for the kindly interest taken in us by the faculty and upper classmen. The reception given by the Girls' Service League for the Sophomore girls and their mothers afforded an excellent opportunity for the parents and teachers to become acquainted. With this friendly help we soon felt that we really belonged here. To prove our gratitude we have enthusiastically helped to support the Monthly and Annual campaigns and various class plays. We will continue to do this and try to make our class the best that ever graduated from McKinley. More and more we are coming to realize and appreciate the lofty ideals and high standards of sportsmanship which McKinley embodies.

The Sophomores furnished some fine material for the basketball reserves. The following boys were members of the squad: James Krichbaum, Frank Barbour, Virgil Hinton, Clifton Frizzell, Mathew Fehn, Dwain Boyer, Carl Carnes, Walter Van Orman.

In November the election of council members and alternates from each of the home rooms was held. The council then made nominations for class officers and the following were elected: Dean McCormick, *president;* Robert Sigler, *vice-president;* Catherine Worlock, *secretary.* It is to the efforts of these people and the class guardians that we owe

much of our success. Guardians are Mr. Boone, chairman, Miss Lutz, Miss Perry, Miss Hastings, Miss Shelton, Mr. Chenot and Mr. Ford.

The first social event of the year was a "Get Acquainted Party." An interesting program was given in the auditorium which consisted of dances, musical numbers, and readings. The Sophomore Dramatic Club under the direction of Miss Margaret Hawkins presented a short play, "A Night in an Inn." This was followed by dancing in the music room. For those who did not care to dance, a movie, Harold Lloyd in "The Nervous Wreck," was shown in the auditorium. The seven hundred who attended the party had a most enjoyable evening.

The boys showed fine school spirit in supporting their class teams. The Sophomores took third place in the interclass basketball series. Those on the squad were: Temple, Hamilton, Gerber, Ketler, Ross, Benson, Clevenger, Gaplea, Soldatis, Burkhardt, Smith, Mottice, Wood, and Adair. We are also proud that Dean McCormick, our president, was a member of the varsity swimming team which entered the meet at Dayton and won a cup for McKinley.

The girls team failed to vanquish the upper classmen, but they put up a hard fight and they too showed real school spirit. The teams consisted of Steed, captain; Spelman, Spotts, Pritchard, Sickafoose, Johnston, Loehr, Worlock, Claypool, Lloyd, Shopbell, Monnard, Bast, Stitt, Kerr, Hawk, Ferguson, Braber, Rohn and Smith.

We have thoroughly enjoyed our first year at McKinley and are looking forward to even more pleasant and beneficial years as Juniors and Seniors.

VARSITY ATHLETICS

It takes all kinds of diversions besides the regular school curriculum to make school life a success, and the mainstay of these diversions is athletics.

The praise for the development of athletics is due chiefly to Dwight V. Peabody, head coach, who is responsible directly and indirectly for the success shown in this department at McKinley High. He stands for and encourages the highest ideals of sportsmanship. Since his arrival at McKinley four years ago he has created four new varsity sports thus involving more than twice as many boys to represent the school in athletics. Each of these sports has gained state-wide recognition.

First of all, football and basketball are rated as the two major sports in McKinley, with track and swimming following. Among the new branches in athletics are tennis, golf and baseball, the latter being introduced in the past year. A boy, irrespective to his ability, must produce adequate results in his studies in order to participate as a member of any team at McKinley High.

Coach Peabody has two able assistants in Ward E. Young and Ellis Carter. Young is in charge of the Reserve football team, and has developed much varsity material as a result. He also coaches the varsity swimming and track teams.

Carter who has coached the Reserve basketball team for the past six years has the most enviable record of any in the State. In that time he has lost only five games in eighty-three, and has run through three consecutive seasons without a defeat. His proteges form the varsity for the future years. He also assists Coach Peabody in baseball.

Another most important position on the athletic board is that of the faculty manager. The burden of scheduling all athletic contests, and the management of financial affairs rests upon the shoulders of Faculty Manager Jackman. It is his second year in this capacity, and he has proved a worthy and willing worker.

Last, but not least by all means, is the student manager who gets little recognition outside of the immediate teams for the services he renders. With liniment and bandages, Bill Myers has kept the boys of the teams in shape, and he has done it successfully. The teams' boosters wish to thank Bill for his ever-faithful service.

McKINLEY 46—WOOSTER 0

THE McKinley High gridders displayed a classy brand of football in their initial appearance against Wooster High School. Brilliant passing and a running attack were combined to trounce Wooster.

Quarterback Bob Kaufman proved himself an adept passer and the Peabody eleven gained many yards using this formidable scoring weapon. McKinley scored early in the first quarter, when Hodnick, fullback, circled left end behind perfect interference to score shortly after the kickoff. Then with Kaufman's accurate passes to Hodnick and Jurekovic, and the excellent running attack of Goss and Hodnick, McKinley marched through the light and inexperienced Wooster team, time after time, for touchdowns. The line proved towers of strength, and battered the Woosterites on all sides.

McKINLEY 0—STEUBENVILLE 19

A capacity crowd watched the McKinley High gridders go down in defeat before the fighting Steubenville eleven. The McKinleyites started out with a rush, outplaying Steubenville in the first quarter, only to fall by the wayside in the later stages of the game. The "Stubbers" got off to a bad start, due in no small measure to the poor passes of Smith, Steubenville center, but in the last three quarters displayed a plunging attack, which the McKinleyites were unable to check.

Buddy Coles, colored halfback on the "Big Red", was the outstanding star of the fray. Touted as the best halfback in the state, his work at Canton would warrant that distinction. Mixing hard line plunges

with clever end runs and passes, he proved too much for the McKinley defense and was the main factor in the defeat.

McKinley failed to develop a star unless he was Johnny Brinson, halfback, who tackled the fleet Steubenville ball-toters time after time, as they broke through the McKinley line.

McKINLEY 26—AKRON CENTRAL 6

Playing an aggressive, smashing type of football, the McKinley High eleven downed Akron Central, thus capturing their second victory of the season. Akron's only points came in the fourth quarter, by a forward pass after retiring Canton's first string linemen.

Passing, plunging, and running around the ends gathered the four touchdowns for the McKinleyites. Canton scored early in the first quarter. Hodnick and Goss plunged half the distance of the field in several bucks, then Goss took it across. The second half was started by a blocked punt which was covered by a Canton player, then taken over the line on the next play. In rapid fire succession came the remainder of the points. The second stringers proved quite strong in the fourth quarter when they took the ranks.

McKINLEY 33—AKRON SOUTH 0

McKinley's ancient rival, Akron South, was trampled underfoot and slaughtered by the powerful McKinley eleven. The slashing line attack which the McKinleyites displayed proved too much for South, and they succumbed to a scoring rampage in the final period of the game.

Goss, Hodnick and Brinson, the Canton backs, ripped through the

Akron line for consistent gains and scored five touchdowns with ease. Johnny Brinson, colored half, broke loose several times during the game and proved the running star of the conflict. Goss and Hodnick contributed brilliant plunging and running to the fray and were a scoring combination that the Akron eleven could not stop.

McKinley played fine football during the first quarter, but was unable to secure a touchdown. However, the second and fourth quarters found Canton strong and scoring consistently.

McKINLEY 19—YOUNGSTOWN RAYEN 0

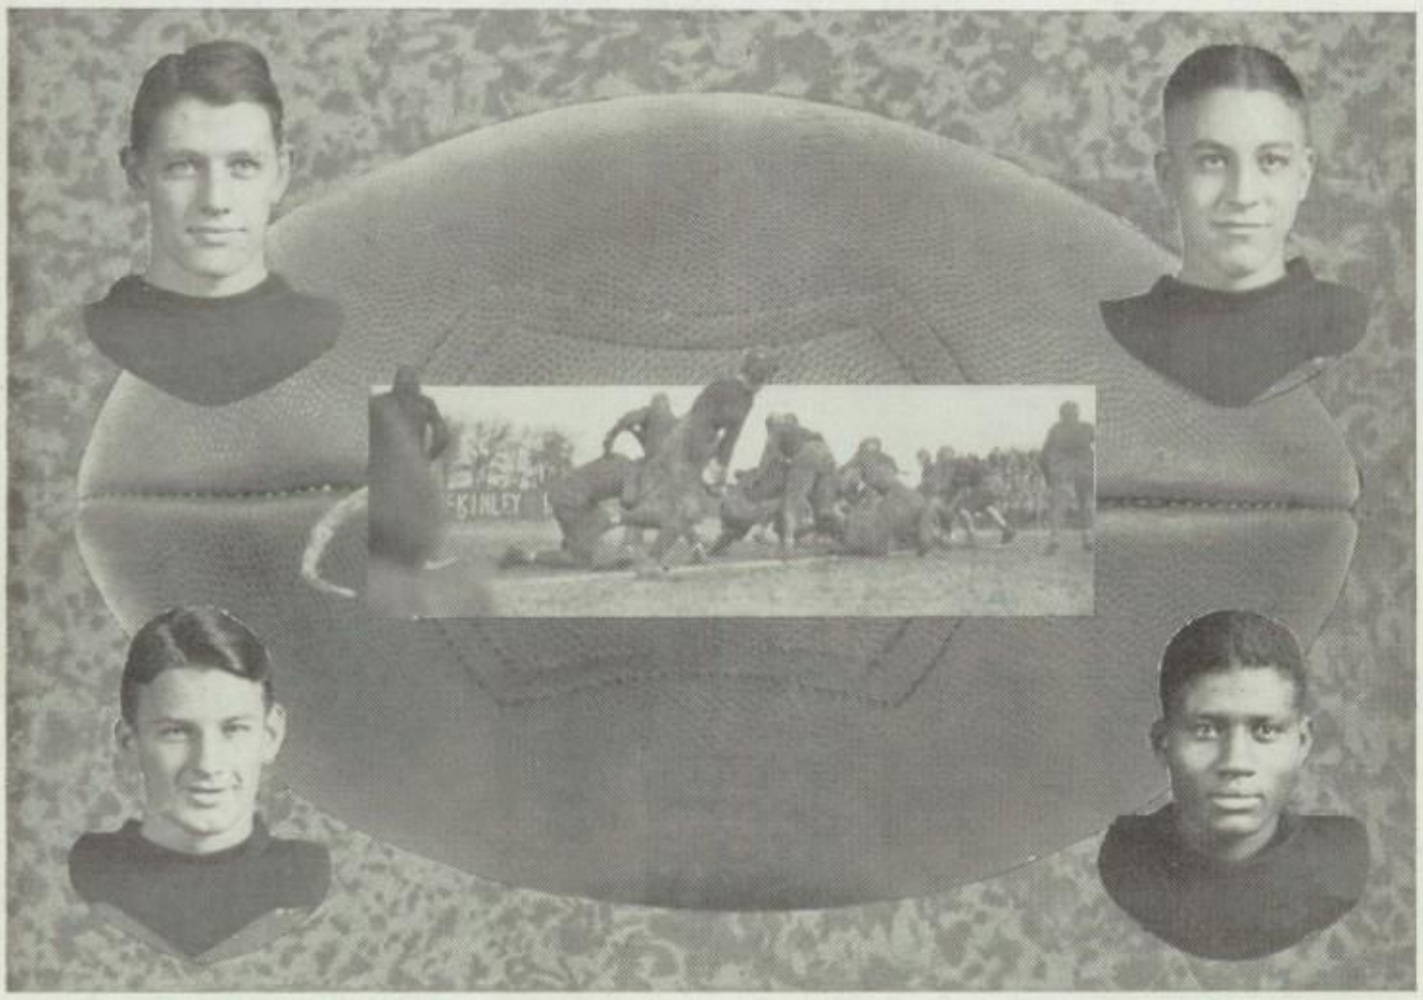
Good football was dished out in large portions as McKinley High chalked up its fourth victory by defeating Youngstown Rayen. Rayen displayed some classy football in the first half of the conflict, but the McKinleyites overpowered them and scored three touchdowns.

McKinley High's defensive strength was tested to the utmost and brought many outstanding players. Rittersbaugh played a wonderful game at center, taking many men out of play.

The game was hard fought throughout and neither team showed signs of lack of fight.

McKINLEY 46—NEW PHILADELPHIA 0

Continuing its string of victories, McKinley High romped away with an easy victory over New Philadelphia. New Philadelphia furnished little opposition and Peabody's second stringers played most of the game. They were held by New Philadelphia, but finally scored late in the third quarter.



GOSS, *Halfback*

BRINSON, *Halfback*

Hodnick and Kaufman dashed around ends, ripped through the line, and passed their way for six of the seven McKinley touchdowns. Captain Rittersbaugh played an excellent defensive game at center for the McKinleyites.

McKINLEY 19—WOODWARD TECH 0

Toledo Woodward Tech, touted as one of the strongest outfits in the state, fell before the fighting McKinley eleven, after a spectacular rally was staged in which the McKinleyites pushed the ball over the goal line three times. The first half of the fray brought forth a wonderful exhibition of football, with both teams failing to score, after advancing the ball within scoring distance.

However, in the second half the McKinleyites, with Sam Hodnick, fullback, toting the pigskin, uncorked a brilliant running attack which the Toledo eleven could not check. Hodnick rammed left tackle in the third quarter, broke loose and sprinted 62 yards through a broken field to score the first points of the game. Then the McKinleyites, with Brinson leading the interference opened a plunging attack which netted two more touchdowns.

As in previous games the sturdy McKinley line outplayed its opponent's forward wall and presented a stone wall defense. This victory undoubtedly brought more recognition to the McKinley eleven than any other, for Woodward Tech had previously defeated some of Ohio's best high school football teams.

After the game the team attended the Ohio State-Chicago tilt at Columbus.

McKINLEY 12—ALLIANCE 0

McKinley held Alliance High scoreless in its first county championship game. The McKinleyites found themselves against a formidable foe, and were able to earn a victory only by determined fighting. The Alliance eleven, composed of inexperienced material, fought a stubborn battle, and several times its drives threatened the Canton goal line. The Canton team worked well in the deep mud, which handicapped both elevens.

The Canton line played sterling ball and gave the backfield many scoring possibilities. Goss was injured early in the game which weakened the offense.

The last half turned out to be an interesting battle played in ankle-deep mud. Late in the game, after the McKinley second-stringers entered the game, Raber's passes to Daly threatened to score for Alliance, however the game ended before a touchdown could be produced.

McKINLEY 34—COLLINWOOD 0

McKinley High gridders, after a slow start, came back in the later stages of the game and drubbed Cleveland Collinwood. The McKinley eleven displayed a finished running and plunging attack, and marched through Collinwood with ease to score five touchdowns.

McKinley scored but once in the first half, when a pass intercepted by Coombs placed the ball in scoring position and Kaufman circled the end to tally. Immediately after the kickoff in the second half, Kaufman tossed a pass to Rittersbaugh, who sprinted thirty yards for a goal.

McKINLEY 13—MASSILLON 0

A fighting McKinley eleven smashed its way to a 13-0 victory over the foe of all foes, Washington High of Massillon. The final game of the season was played on a heavy, muddy field, which rendered an open attack very difficult, but several well-executed passes resulted in a touchdown for the McKinleyites. During the first half, the stubborn Massillon eleven held McKinley scoreless and even threatened the Canton goal line, although never seriously.

McKinley came back after the half to stage the scrappiest comeback seen this year, and late in the third period succeeded in pushing the pigskin across the coveted goal line. To start the scoring march Kaufman returned a punt to the 47 yard line. After a short end run by Hodnick, Lab heaved a beautiful pass to Hodnick for eight yards and first down. A Lab-to-Ferrall pass gained 15 yards, placing the ball on the Massillon 24 yard line. Hodnick hit tackle for four and on the next play slashed his way to the 12 yard line. Hodnick made three at the line and Brinson added one. Lab slipped through center for four, and Hodnick fought his way across the final marker for McKinley's first tally.

Late in the final quarter, Lieber recovered a fumble for Canton on the Massillon 13 yard line. Lab hit tackle for five, and Maurer made it a first down on the one yard line. On the succeeding play Maurer smashed center for a touchdown, the final score of the conflict.

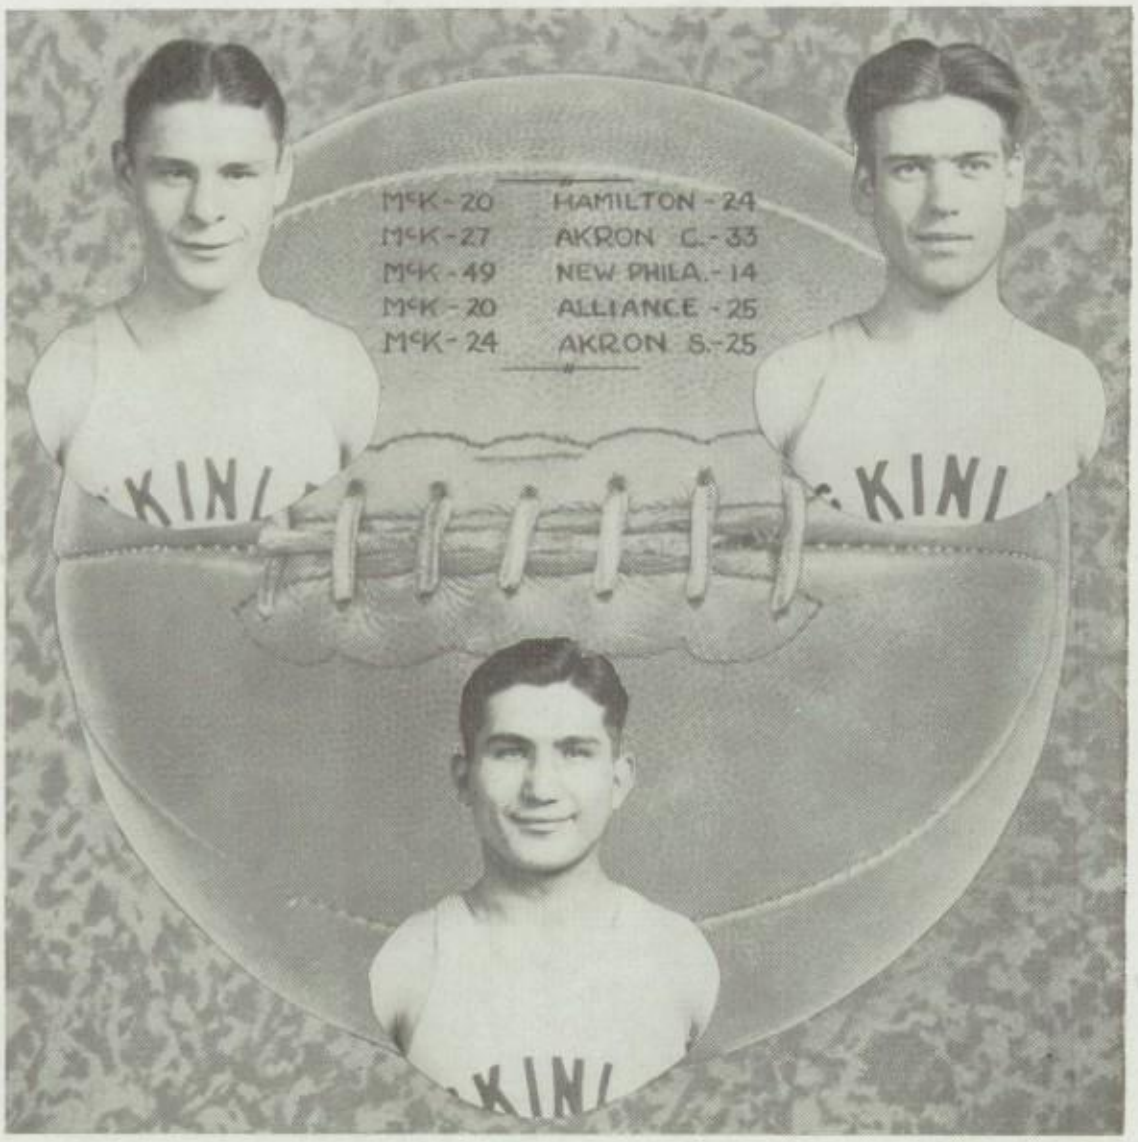
BASKETBALL RESUME

CONTRARY to the usual custom of long years' standing, McKinley failed to produce a basketball team, which boasted a highly successful season. However, the fame which the McKinley team brought to Canton by its wonderful showing in the State Championship tournament, dispelled all doubt in the minds of the followers of the indoor sport, as to the inability of McKinley to compete with the best scholastic teams in Ohio. The team of '28 playing the stiffest schedule ever compiled for a McKinley basketball team succeeded in winning 10 out of the 19 scheduled games.

Coach Peabody displayed his keen insight of youth and of the court game when he did not work his team hard so that he might have them in good shape for early season games, but conditioned them gradually in expectation of the state championship tournament play. Two lettermen returned this year, Captain Sam Hodnick, forward; and Ray Barrett, guard and center. Coach Peabody built up a strong defensive team with these players as a nucleus, the other posts being filled by members of last year's reserve squad. After trying several combinations, the combination of Hodnick and Daniels, forwards; Barrett, center; Jurekovic and Rittersbaugh, guards; proved to be the most successful.



RITTERSBAUGH, *Guard* ESMONT, *Guard*
JUREKOVIC, *Guard*

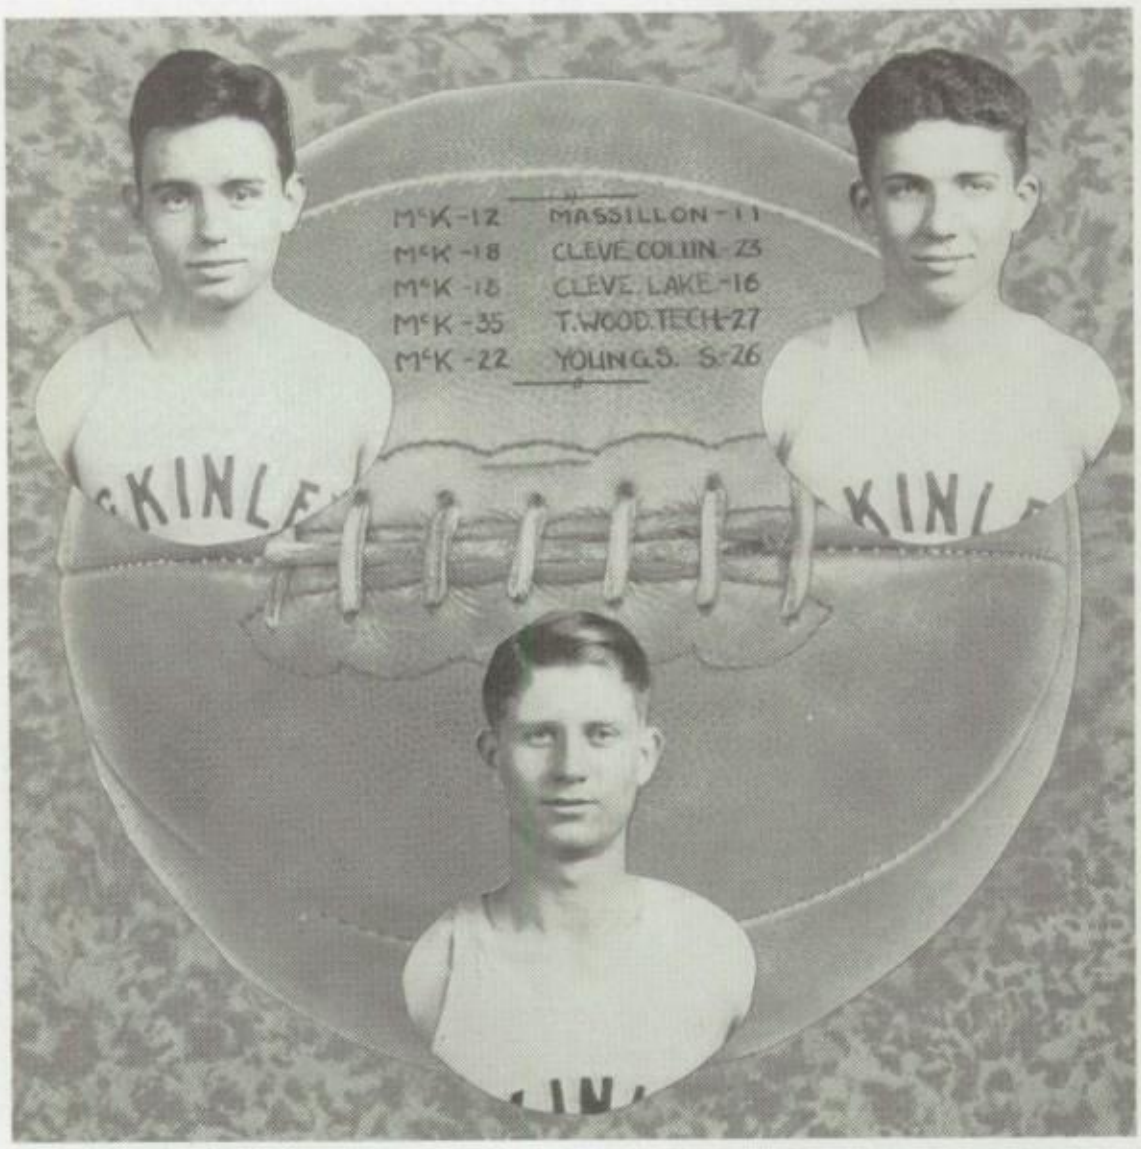
A large number of aspirants reported to Coach Peabody when the first call was issued, but only twelve of this number were retained on the varsity squad and about twenty for the Reserves. After several disappointing showings during the season, the winning combination was at last discovered. These five lads later gained the recognition of being the best defensive team in Ohio.

McKinley opened the season with a defeat at the hands of East Liverpool. This was the first time in recent years that a setback was handed to a McKinley team in the initial encounter. Lack of scoring power and a deficiency of a good pivot man caused the defeat.

The following week a somewhat altered lineup was presented by the McKinleyites, Ray Barrett, a strong defensive player, handling the center job, and Esmont holding down a guard's position. The team succeeded in turning back the Dover quintet, State champs in '27. The close, snappy passing attack, characteristic of McKinley basketball teams, was very evident in this game.

Columbus East brought a highly touted team to Canton, but were vanquished as McKinley's cagers hit the bucket consistently from different ranges.

A strong, fast Alumni team was defeated by a one point margin after a thrilling game, in which McKinley's defense was tested to its fullest capacity.



CAMPBELL, *Forward* CLARK, *Forward*

BEIDLER, *Forward*

Next the McKinleyites took a southward jaunt, and trimmed the veteran Dayton Steele aggregation. At Hamilton, however, the McKinley cagers met with different luck and Hamilton's speedy tossers gained a close victory after a thrilling overtime period.

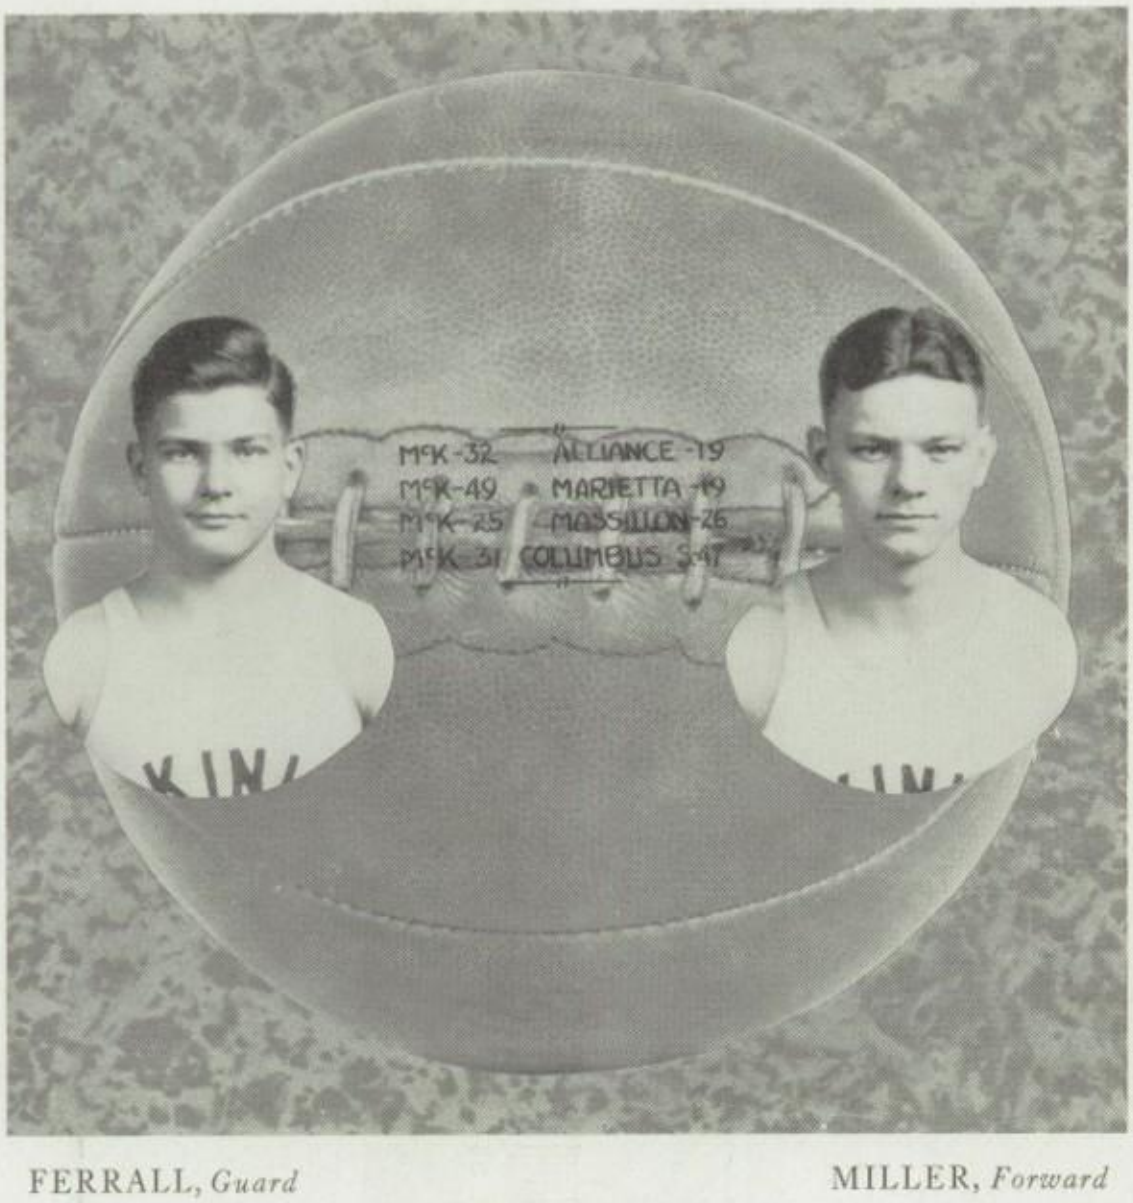
Another defeat came at the hands of the classy Akron Central quintet, but New Philadelphia succumbed to a McKinley scoring rampage.

In the initial fray of the county series, Alliance trounced the McKinleyites using a fast, clever dribbling attack. A trip to Akron to battle Akron South resulted in a one point setback for Canton, after a stellar game was played.

The greatest defensive game seen in the auditorium court in recent years resulted in a McKinley victory over their old rivals Massillon, thus evening the count in the county series.

Cleveland Collinwood, rated as the best team in the fifth city, brought a team of veteran stars to Canton and administered a defeat on Coach Peabody's basketeers. Revenge was gained, however, when Lakewood's strong team fell before the McKinley passing attack in a close, rough game.

The following week the undefeated Toledo Woodward Tech team received their first setback, as Peabody started the second stringers, who succeeded in amassing a lead for the regulars. A trip to Youngstown South was then taken and with poor results, as a strong Youngs-



FERRALL, *Guard* MILLER, *Forward*

town South team trounced the McKinley quintet. The strategy of Coach Peabody, in starting his shock troops, failed on this occasion as South gained an early lead which was never headed.

Resuming the county championship play McKinley drubbed Alliance on the Mount Union floor. McKinley displayed some excellent basketball, and enthusiastic followers saw prospects of a county title for McKinley. Marietta's cagers appeared in Canton, and the Pioneer City lads received a sound lacing at the hands of the McKinley cagers.

The final game of the county series was played at Massillon before a packed gym. McKinley's hopes for a county title were dashed to pieces as a fighting Massillon team downed McKinley, once again only one point separated victory from defeat, but the McKinleyites lacked the point. The Orange and Black cagers penetrated the McKinley defense and amassed an early lead, which the Canton team was never able to overcome.

McKinley seemed unable to throw off the depression following the Massillon victory and consequently displayed a very inferior game of basketball in the final game of the scheduled season with the sturdy Columbus South squad. The winners displayed uncanny accuracy in hitting the basket, and as a result handed McKinley the worst defeat of the season.

We would like to tender at this time to the team and to the coach hearty congratulations for the fine spirit and sense of sportsmanship.

State Championship Tournament

RUNNER-UP in the state scholastic basketball tourney is the mark of achievement to which the Mc-Kinley cagers attained in tournament competition. This feat came as a surprise after the success of the scheduled season, but it proved to all that a fighting team is hard to put down.

When the Akron tournament opened McKinley was not considered a favorite, in fact little or no recognition was given Coach Peabody's cagers. After drawing a bye in the first round of the tourney, the unfavored McKinley squad upset the dope bucket when they proceeded to defeat the nifty Akron Central outfit, previous victors over McKinley.

Youngstown East had the misfortune to be the opponent of the fighting Canton team, and consequently they tasted defeat after a tough, defensive encounter, in which the sturdy McKinleyites played a classy brand of basketball.

The following week found a well-drilled Canton quintet at the northeastern Ohio tournament. McKinley ran wild and trounced the highly touted Elyria team in a game which displayed to Canton fans the real ability of the McKinley cagers. Next Akron North was encountered, with a trip to Columbus as the stake, and after a hard-fought, thrilling game, the McKinleyites triumphed, winning the trip to the State capital and a beautiful silver trophy.

At Columbus the team, now given careful consideration by the other contestants, showed a remarkable comeback in the second half and trimmed the East Liverpool quintet, early season victors over McKinley. The semi-finals of the State championship saw the now enthused and determined Canton squad overcome a powerful team from Columbus Central. Spectators at the game were amazed at the splendid defense exhibited by McKinley and many coaches were optimistic as to the chances of a McKinley state championship victory.

In the final game of the state tourney the McKinleyites fought a game battle, but they fought a losing one against the powerful Dayton Stivers High School. The superior strength and size of Dayton combined to defeat the McKinley hopes of a state title, but credit must be given for the splendid fight McKinley put up. As a result of this game McKinley won another trophy and Jurekovic and Beidler, Canton guard and forward respectively, were selected on the All-Ohio team.

BASKETBALL RESERVES

TURNING out consistent winners seems to be the hobby of Coach Carter, as in 1928 he again produced a Reserve combination at McKinley which lost only two games during the entire season. Coach Carter is accomplishing wonders in his basketball tutelage at McKinley, as his teams have won 78 out of 83 games in six years competition.

This year's Reserve team proved to be a strong offensive quintet as they scored an average of 36 points per game, while their opponents scored only 21. A fast passing and a clever shooting combination were these Reserve cagers, and at times they also displayed a tight defense.

This year most of the games were played with Reserve teams of other high schools, and judging from the results, McKinley should have a powerful cage team in 1929. The five players who carried the burden of the attack for the Reserves were Shrake and Lieber, forwards, Earenfight, center, Green and Zagray, guards.

Individual scoring honors went to Lieber, forward, who scored 136 points, and Shrake was runner-up with 115 points. The eleven players to receive the Reserve letters were Adams, Birnoski, Earenfight, Green, Lab, Lieber, Miller, Printz, Rudy, Shrake and Zagray.

You have made a fine record fellows, and McKinley expects even more of you next season.

RESERVE FOOTBALL

COACH Ward Young produced one of the finest Reserve football teams in 1927 that has ever been brought forth at McKinley. Any coach realizes that taking a team of inexperienced players and whipping them into shape is no small task, but Coach Young accomplished this feat very capably. Consequently the 1927 Reserve team captured all but one of the eight games played during the past season. The team possessed a strong line and a fast, smashing backfield, which opponents found hard to check. The plays were executed in a smooth manner, more becoming to a more experienced eleven, for the Reserves piled up 221 points against their combined opponents'51. Several of the Reserve regulars proved so adept at the game that they will doubtless hold down varsity berths next season.

In their initial encounter the Reserves romped away with a 46-7 victory over Malvern, and a 35-0 defeat was next plastered on the Salem Reserves. But in their third conflict they were handed a 31-0 setback at the hands of Louisville, Class B County Champions in 1927. Navarre then fell a victim to the smooth attack of a rebuilt Reserve team, 13-7. A trip to Salem resulted in another sweeping victory over the Salem Reserves 34-0. Carrollton went down to a 6-0 defeat, after a bitter, hard-fought battle. The rest were easy.

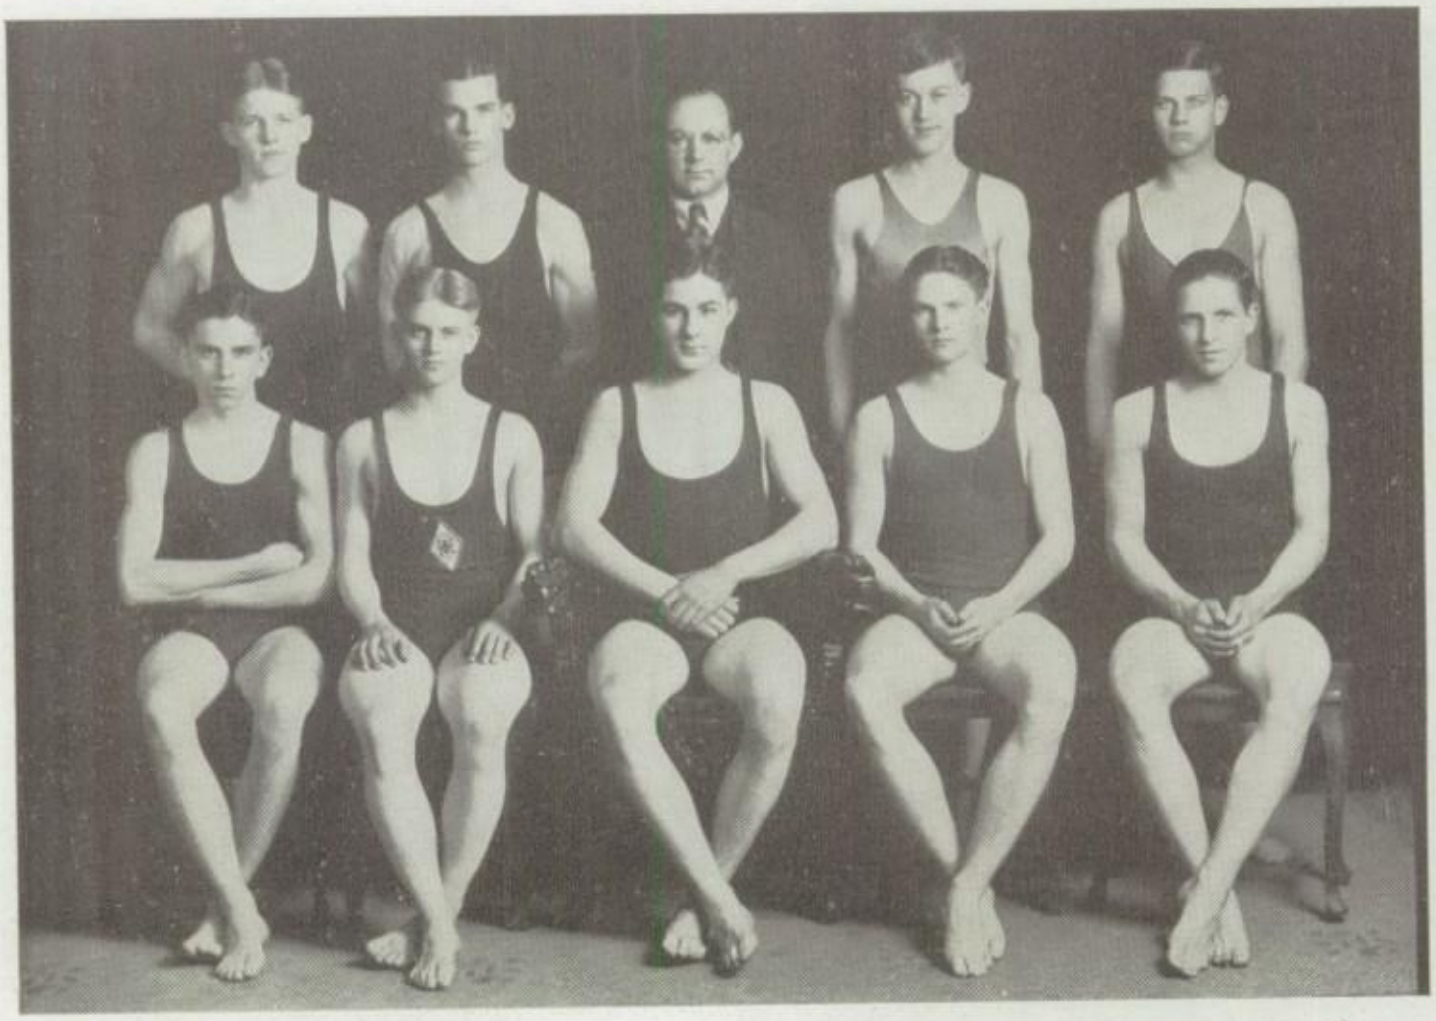
VARSITY TRACK TEAM

COACH YOUNG, in his second year as track mentor at McKinley, seems likely to produce a successful team. Many promising aspirants were unearthed in the interclass competition, and combining these with the two lettermen, Hodnick and Rudy, Young expects to turn out a squad which, although they are not expected to win a majority of meets, will do their best to blazon the name of McKinley in the annals of track competition.

In the dashes, Campbell, J. Barbour, Mason, McCormick, Rudy and Ross will carry the McKinley colors, with Rudy, Kell, Butch, Riegler and Glenn in the distance runs. Shrake, Adams, McCormick, and Cody are the probable hurdlers, while Brown, Shrake and McCormick will do most of the jumping. Goss, Esmont, Hodnick, Zeren and Benson will be the weight tossers, and the pole-vaulting will be done by Hummel, Clevenger and Hayes.

The schedule for the season follows: April 20-21, Ohio Relays at Columbus; April 28, Triangular Meet, Salem, Akron, and McKinley at Canton; May 5, Lakewood Relays at Lakewood; May 12, County Meet; May 19, District Meet at Salem; and May 25-26, State Meet at Columbus.

Track has been growing more and more popular and the peak is expected to be reached this year.



First Row—Artman, Quayle, Farrall, Gray, Pfefferman. Second Row—Kirk, McCormick, Young, Coach; Hurst, Clark.

· VARSITY SWIMMING TEAM ·

FOR several years swimming has been a minor sport at McKinley, but in the last year the feats of Coach Young's swimmers began to be heralded throughout the school. At the conclusion of interclass swimming activities, Coach Young selected the most promising tankmen, and drilled them in preparation for a series of scheduled meets.

Two dual meets and the state swimming meet comprised the schedule. In the dual meet with Lakewood, McKinley received the short end of a 48-16 score. McKinley succeeded in capturing only two first places, as Cannon, high scorer in state meet, led Lakewood to a sweeping victory.

The Akron East meet was a spectacular and interesting contest with East winning 40-19. Fela, of Akron, who holds the world's scholastic record in the 100 yard back stroke, captured three first places and almost defeated McKinley single-handed. Only one Canton man gained a first place for McKinley, Farrall winning the 60 yard breast stroke.

Better luck accompanied the team in their jaunt to Dayton for the state meet, as they landed fourth place with 10 points. The McKinley points came by winning the 120 yard medley relay and when Gray captured a third place in the 60 yard free style.

· CHEERLEADERS ·

"CREDIT where credit is due," is an advisable adage, and that is precisely what McKinley High aims to do. Credit has been given to members of various athletic teams, publication staffs and other worthy organizations, but let us stop and give a tribute to those loyal boosting fellows, whom we call cheerleaders. A team does its best for McKinley, but sometimes the best can be advanced even farther by loyal support and cheering. The McKinley High cheerleaders direct this support and enthusiasm into the channel of organized cheering.

Before the second football game a most successful staff of cheerleaders had been selected by the student body. They were Paul James, Francis Staudt, Raymond Beatty, and Ralph Watkins. They served faithfully throughout the football season and some credit is due them for the successful season of 1927. During the long basketball season and the tournament play McKinley always found these fellows on the job, and the same loyalty appeared in their work in track and baseball.

Their boosting duties include not only athletics but also we find them on deck at assemblies of almost every kind, endeavoring to bring out that fine, encouraging spirit so helpful to those working for McKinley.

YALE - HARVARD GAME

AT THE end of the basketball season Miss Whitlock chooses girls for the Yale-Harvard teams. The girls are selected from the best players on the three class teams.

March 12 brought an end to the "jinx" which has been following the Harvard team for the past several years. The game ended with the score 34-33 in favor of Harvard.

Lucile Seiple was captain of the winning team, and the line-up was Spelman, Stabe, Clapper, MacKenzie, Giles. Substitutes, Steed, Gould, Strikowski, Pritchard. Mary Elizabeth Nist was the manager of the team and little Gretchen Roemer was the mascot. The players wore white middies and bloomers trimmed in red.

The Yale team had as its captain Betty James. The other players were Shaeffer, Wynn, English, H. Johnston, Hillibish. Substitutes, Gatchel, Claypool, Johnston, Hess. The Yale team wore blue middies and white bloomers on which was a blue bulldog. Betty Kling was the manager and a bulldog served as mascot.

The Scott twins, Gertrude and Anne, were the cheerleaders for the two teams.

· SENIOR GIRLS' HOCKEY ·

HOCKEY has created more interest this year than ever before. In other years we have been handicapped by bad weather, but this season the weather man was unusually kind to us, and enabled Miss Whitlock to have all the games run off in two weeks. All the players showed great improvement over last year's work, and this fact of course tended to make the games very exciting and hard fought, sometimes drawing quite a good sized crowd of rooters.

The Sophs although inexperienced in hockey showed unusually fine playing, providing some good opposition for the Juniors and Seniors, in one case a little too good.

The Seniors started out successfully, winning from the Sophs 11-10 in the first game and defeating the Juniors 11-5 in the second. Then a jinx seemed to descend on the Seniors. In the third game, which was a fight from beginning to end, they were defeated 5-3 by the Sophs. In the last the Juniors surpassed the Seniors, defeating them 9-7. Thus the Seniors won two games and lost two, finishing second in the series. Although they did not win the championship they played hard in every game, and displayed fine spirit.

The following girls played on the Senior team: Helen Gatchel, Lucile Seiple, Ethel Clevenger, Mary Elizabeth Nist, Mildred Clapper, Geraldine Bolender, Jean MacKenzie, Betty James, Mary Patterson, Doris Gates, Lois Shryock and Georgia Freymark, captain.

· JUNIOR GIRLS' HOCKEY ·

HOCKEY was one of the favorite sports among the Juniors this year for there was a squad of over twenty girls present at the first practice. After a while, this squad was cut down to about fifteen, eleven regular players and four substitutes. In the first game with the Sophomores, the Juniors found that they had a formidable foe in this class, and after a hard-fought game won 7-5. The second game which the Juniors played was with the Seniors, and they were forced to bow down before their upper classmen. The score was 11-5. However the Juniors, determined to win, went into their next game with an entirely new line-up and succeeded in thoroughly subduing the Sophomore team 10-3. The final struggle for the championship now lay between the two upper classes and both teams went into the game with a determination to win. The Juniors had succeeded in working up a great deal more team work than there had been in their first battle with the Seniors, and by virtue of the new line-up, the Juniors won their final game 9-7, thus securing the championship.

The eleven regular players were: Katherine Zaugg, Hester Jane Johnston, Clara Louise Huntsberger, Elsie Grace Gould, Edna Smith, Janet Delp, Betty Hess, Jane Cool, Evelyn Luethi, Bernice Converse, and Dorothy Noble, captain.

The substitutes were: Geneva Copthorne, De Vere Bassinger, Beulah Feightner, Emma Kaufman, and Margaret ZurLinden.

SOPHOMORE GIRLS' HOCKEY

THE Sophomore Hockey team fought a hard but losing battle this year. Out of four games three were lost, but that can not be considered a disgrace for their playing balanced evenly their failure to score high. Defeat is never a wet blanket to the Sophomore spirit. Such was the case of the victory of the Sophomores over the Seniors, with a score of 5-3. The scores of the remaining games were as follows: Juniors 7, Sophomores 5; Juniors 3, Sophomores 3; Seniors 11, Sophomores 10.

The players were Hazel Steed, captain and goalkeeper; Mary Catherine Hebert, fullback; Dorothy Monnard, fullback; Marjorie Spotts, right halfback; Martha Sickafoose, center halfback; Virginia Parker, left halfback; Thelma Claypool, left wing; Florence Smith, left inside; Eleanor Spelman, center; Edra Johnston, right inside; Janet Alper, right wing. The subs were Ruth Griffiths, Margaret Schellhase and Mary Ellen Fair. All the games were played at Harter's field with a few enthusiastic rooters present.

· SENIOR BOYS' BASKETBALL ·

FOR three years the Senior classes have ruled supreme in the intramural basketball contests. Again this year, a formidable Senior team, composed of experienced cagers, won all eight of their games and displayed a brand of basketball which completely outclassed their opponents.

The "A" team, having in its lineup experienced amateur cagers, displayed a smashing offensive and a fine defense, which allowed their opponents an average of only fifteen points per game. The "A" team got off to a fine start, trimming the Sophs 25-16 in an interesting game. Next the Juniors fell before the Senior attack 19-13 in a game featured by fine defensive playing. The Sophomores again succumbed to a superior Senior team in their second game by a score of 30-16, and in the final game of the season the Seniors nosed out the Juniors 20-15 in a close, hard fought game.

The Senior "B" team also enjoyed a very successful season, winning its first game with the Sophs 13-5 and next trouncing the Juniors 26-13. In the second round they encountered little opposition while topping the Sophs 21-17 but won their final game after a hard fight, downing the Juniors 30-25.

We wish you farewell Seniors, and McKinleyites know that you were a hard bunch to defeat. McKinley will remember and cherish your fine sense of sportsmanship.

SENIOR GIRLS' BASKETBALL

ALTHOUGH the Seniors were defeated in the interclass series when the points of the "A" and "B" teams were added up, they feel that their last year of basketball at McKinley has not been spent in vain. They were handicapped to a certain extent due to the fact that such a small number of girls came out for the teams, leaving very few and sometimes no substitutes. However, those who did come out had real class spirit and did their best to win their class numerals.

The "A" team went through a successful season losing only one game out of six, that one being to the Juniors. It looked as if the Seniors had won that game but the final whistle blew with the Juniors in the lead the score being 30-29. The fates seemed to be against the "B" team for they lost every game, some of them by very small scores. However they were good sports and did their best for the class.

The "A" team consisted of: Hillibish, Clapper, MacKenzie, Freymark, Seiple, Gatchel, Eschliman and James, Captain. The "B" team consisted of Hatmaker, Kell, Keyes, Sabo, Shryock and Gates, captain.

The Seniors wish at this time to express their appreciation and gratitude to Miss Whitlock for her faithful work with the teams for the past three years. We feel that under her coaching we have received more than an increased knowledge of basketball.

· JUNIOR BOYS' BASKETBALL ·

THE Junior interclass basketball team did not come up to pre-season expectations, and as a result finished last in the class scramble, with only two points. After capturing the swimming meet, the Juniors began to express hope of flying their colors in June, but the result of the basketball put a damper on such an expectation.

The poor showing made by the Juniors is due largely to lack of material rather than lack of enthusiasm. With thirteen Junior cagers participating in varsity and reserve competition, Coach Carter was forced to build his two teams from inexperienced material.

The "A" team displayed an exceptionally fine defense, but also a somewhat weak offense. The Junior "A's" received a rather severe jolt in their opening fray when they were defeated 20-14 by the Sophs. They played splendid basketball in their next game with the Seniors, but dropped the contest by a 19-13 score. The Sophomores again defeated the Juniors 31-29 in an exciting, hard-fought game, and the Seniors nosed out the Junior cagers 20-15 in the final game.

The "B" team fared somewhat better, capturing two of their games both at the expense of the Sophs, the first 27-13. But the Juniors fell before the speedy attack of the Senior "B's," 26-13 in the initial contest and dropped the final fray 30-25.

We wish you luck Juniors and we greatly desire that you succeed in attaining the intramural championship next year.

JUNIOR GIRLS' BASKETBALL

WHEN Miss Whitlock called for candidates for the Junior basketball team, more than enough for two teams answered. Probably because they did not win a game last year, the Juniors were determined to fight this year, and as the result they won the interclass championship which entitled them to numerals.

Much of the credit goes to the "B" team, as they lost but one game, thus earning five points toward the championship. Miss Whitlock also did a great deal in coaching the team.

The first game was played with the Sophs. The Juniors won 29-8. The second was with the Seniors and was the most exciting game of the year. The Juniors nosed out the Seniors in the last minute of play to make the score 30-29. The third with the Sophs resulted in 37-25, the Juniors on the larger end of the score. The Sophs showed much improvement and the Juniors were compelled to work harder than in the first game. The next game was with the Seniors and the Seniors won 45-37. The Juniors won the next game with the Sophs, 42-28. The final Senior game was the grand finale, the Seniors emerging victorious.

The whole season was a great success and the girls had a lot of fun even though the practice was hard.

· SOPHOMORE BOYS' BASKETBALL ·

FOR the first time in many years a Sophomore intramural basketball team finished second in the interclass competition. The Sophomores possessed a fast, accurate but small team, which succeeded in contributing trouble to its opponents. Coach Boone produced a team of scrappy cagers, which proved that the class of '30 has in its ranks some splendid athletic ability. We hope that after another year's experience has been attained, the Sophs will be able to capture the scholastic honors.

The "A" team started the season in great shape by trimming the Juniors in the initial contest 20-14. Then the Seniors appeared as their first stumbling block, downing them 25-16. The Sophs staged a comeback after this defeat, and nosed out the Juniors 31-29 in a thrilling game. They entered the final test with determination, but the powerful Senior quintet trounced them again 30-16.

The Sophomore "B's" experienced a disastrous season, losing every game of the interclass series. A 27-13 loss, inflicted by the Juniors, was followed by 13-5 setback at the hands of the Seniors. In the second round of play the Juniors trimmed the Sophs 30-23, and the victorious Seniors handed them a 27-17 defeat.

SOPHOMORE GIRLS' BASKETBALL

FIGHTING with a "never-say-die" spirit, the Sophs had a fairly good basketball season, but were able to gain only four victories, all of which go to the credit of the "B" team. There was some fine material on the "A" team, but they were unable to defeat either the Seniors or the Juniors.

Both teams played three games with each of their opponents. Some of the games were played in the gym, and others in the music room. We had a few spectators and a very few rooters, but those who did come out showed their loyalty in such a manner that we thought the entire Booster section was cheering.

The scores for the games played by the "A" team are as follows: Juniors 29, Sophomores 8; Seniors 44, Sophomores 16; Juniors 37, Sophomores 25; Seniors 44, Sophomores 24; Juniors 42, Sophomores 29; Seniors 23, Sophomores 15.

The "B" team was more successful and scored four victories to two defeats. The scores follow: Juniors 31, Sophomores 25; Seniors 14, Sophomores 40; Juniors 29, Sophomores 32; Seniors 16, Sophomores 27; Juniors 33, Sophomores 9; Seniors 14, Sophomores 35.

SENIOR BOYS' TRACK TEAM

THE outcome of the interclass track meet, an annual event at McKinley, was of great interest to the Seniors, as their total of points in intramural competition was not so great that they did not make a great effort to win the track event. Accordingly when the first tidings of the coming track season were heard, the Senior captain, Jack Barbour, proceeded to assemble a formidable team.

Among the ones seeking laurels for the Seniors were Campbell, an excellent sprinter, Goss, a weight-tosser of ability, and Brown, who is rated a good jumper. The Seniors' weight men succeeded in obtaining 20 points for their class in the weight events, and consistent placing in track events raised the Senior total to 43½ points.

The Seniors captured the meet, nosing out the Sophs by a 3 point margin. Goss led the scoring with 10 points. In order to win the meet the Seniors had to capture the mile relay, the final event of the meet. A team composed of Campbell, Barbour, Brown, and Daniels was able to nose out the Sophomore team and win the meet.

Well Seniors it was a fine piece of work, and much credit is due to the members of the team. McKinley wished them the best of luck in varsity competition.

SENIOR GIRLS' TRACK

ONLY a few Seniors expressed their intentions of competing in the annual track meet held at Lehman field. But those girls who did come out expect to do their best toward upholding the standards of the class.

Those who signed up as recruits at the first call were: Betty James, captain; Lois Shryock, Jean MacKenzie, Lucile Seiple, Mary E. Nist and Gladys E. Keyes, Doris Baker.

Last year the Seniors took first place in several events of the track meet. The shot put was won by "Peg" Castor, and the broad and high jumps by "Bug" Sickafoose. The Seniors also placed in the 50 yard and 100 yard dashes, and participated in the javelin, baseball and basketball throws.

First Row—Rudy, Hummel, Merriman, Vogelgesang, Jackson, Butch, Kirk. Second Row—Zeren, Kell, Spokane, Miller, Joseph, Adams.

JUNIOR BOYS' TRACK TEAM

ALTHOUGH the Junior track team did not win the interclass track meet, they possessed an excellent team which finished in third place, only 5½ points behind the victorious Seniors. The Junior track captain, Allan Rudy, was forced to build a team from inexperienced material, as Bob Shrake was the only other veteran of the Junior class.

However, this same inexperienced team captured six first places, more than any other team in the meet, and displayed ability which will undoubtedly form the nucleus of the varsity track team. Inability to place in the weight events caused the Junior defeat, as only one second place was taken in this department. Shrake led the Junior scoring with 11 points, gained by firsts in the 120 yard low hurdles and broad jump, and a third place in the high jump. Rudy followed closely with 10 points from firsts in the 220 and 880 yard dashes.

First place in the mile relay would have captured the meet for the Juniors, but lack of running material prevented victory.

Good work, Juniors. You did not win the meet, but you put up a good fight. Let's win it next year.

JUNIOR GIRLS' TRACK

MANY Junior girls answered the call as track candidates this year and many who came out were those who have gained points for their class in previous activities.

The team this year will be built around Katherine Zaugg, Clara Louise Huntsberger, Devere Bassinger, Ada Zaugg, Katherine Magee, Beulah Feightner, Margaret Everhard, Lucretia Christie, Bernice Converse, Ethel Stevens, Florence Shanower, Edna Smith, Helen Blon, Zelda Snyder, Sara Lantz, Arlene Hoffman, Gladys Cole, Mary Ida Macomber and Effie Scharr. These girls will try exceedingly hard to win the track meet, for the winning of first place in track and also baseball will make the Junior girls champions of all girls intramural sports at McKinley.

Last year the Juniors won first places in the javelin, baseball throw, 50 yard dash, hurdles, basketball throw and 100 yard dash, while they captured second place in the shot put. The Juniors won last year's meet by a high score, topping the Seniors who took second place.

SOPHOMORE BOYS' TRACK TEAM

LIVING up to expectations, the Sophomores produced one of the finest track teams ever developed by a Sophomore class at McKinley. Dean McCormick, Sophomore track captain, possessed plenty of promising material from which to build his team. A very successful team was the result and one which scored 40½ points, finishing a close second to the Seniors.

McCormick proved to be the star of the meet, scoring 18 points by capturing firsts in the high jump, 440 yard dash, and 220 yard low hurdles, second in the 880, and third in the broad jump. A weakness in weight events and the mile race caused the Sophomore downfall, as they placed in every event except the mile and javelin throw. One of the features of the meet was the pole-vaulting of Clevenger and Hayes, two young Sophomores, who expect in the near future to bring honor to McKinley in this endeavor.

After leading the whole field the Sophomore relay team was nosed out by the Seniors, thereby losing the meet for the Sophs.

Very good, Sophs. Keep up the same spirit in varsity track competition and you will insure McKinley a good team.

SOPHOMORE GIRLS' TRACK

SOPHOMORE girls who came out for track this spring are going to do their utmost toward capturing the championship and thus start their class well on its way through McKinley with a good name in athletics.

Those around whom the team will be built are: Julia Krider, Catherine Worlock, Edra Johnston, Zola Bergert, Mary Sickafoose, Cornelia Pritchard, Hazel Steed, Virginia Parker, Eleanor Spelman, Emily Rairigh, Annetta Griffiths, Phoebe James, Dorothy Bast, Florence Smith, Pauline Schwab, Kathryn Grimes, Rosella Goss, Marie Chmel, Thelma Claypool, Dorothy Stitt, Dorothy Monnard, Betty Morrison, and Miriam Hine.

There is plenty of fine material here, and the Sophomores should be able to place a good team on the track and field.

· SENIOR BOYS' SWIMMING TEAM ·

VICTORS in the intramural swimming competition in '26, the Seniors were knocked from the pedestal by a strong Junior aggregation. The Seniors put up a stiff fight in every race, but handicapped by lack of men, they struck a snag and fell by the wayside collecting only fifteen points out of a possible fifty-nine.

Qualifying men for each event in the preliminary meet, held December 2, the Seniors, led by Rittersbaugh and Gray, entered the semi-final in fine shape. In the semi-final the Senior swimmers, who had previously qualified, were overwhelmed by ambitious Sophomores and Juniors.

The final meet, December 16, brought forth only one outstanding man for the Senior class. This swimmer being Red Gray, a swimmer well known at McKinley for his aquatic feats. Gray swam a beautiful race in the 40 yard back stroke, distancing all opponents easily. Again in the 40 yard breast stroke Gray proved his superiority, leading the field to the finish after an exciting race.

In the 20 yard free style the Seniors failed to place, as in the 40 yard free stroke. English finished third in the 100 yard free, and third in the 40 yard breast stroke. Pfefferman snatched a second place in the 40 yard back stroke, while Rittersbaugh, who qualified for three events, failed to swim in the final meet.

First Row—Duncan, George, Hardy, Conrad. *Second Row—Fife, Freymark, Clark.*

SENIOR GIRLS' SWIMMING

THE Senior girls who came out for swimming this year did their best in the interclass contest and beat the Sophs 37-39. The Sophs had a good team, and it was a close fight for the Seniors, but they pulled through bravely. It was easy for the Seniors to take first place in the 40 yard crawl, 20 yard breast stroke, 40 yard side under and side over, 20 yard back stroke and diving. The Sophomores succeeded in winning the relay.

There was the usual keen competition between the old rivals, the Juniors and Seniors. The Seniors put up a hard fight, but the Juniors proved too much for them and won, the score being 28-49. The Seniors did not finish in first place as they had expected, but took second place. The championship was won by the Juniors.

Those on the Senior team were: Myra Hardy, captain; Marjorie Conrad, Georgia Freymark, Isabel Clark, Mary George, Mabel Dougherty, and Mildred Fife. These girls should be complimented on their good work and on the sportsmanship displayed throughout all the events.

· JUNIOR BOYS' SWIMMING TEAM ·

THE Juniors evened the score in intramural competition by copping the annual swimming meet, after losing the Relay Carnival to the Seniors. As Sophomores, they held forth a promise of great deeds, and as Juniors they dove, swam and fought their way to a smashing victory, amassing a total of thirty-eight points.

The old saying, "In numbers there is strength," held true for the Juniors as they succeeded in qualifying more men for both the preliminary and semi-final meets than the Seniors and Sophomores.

Coach Ward Young expects to mold his varsity swimming team around these aquatic stars, because of their excellent showing in the intramural meet.

Hurst, a veteran swimmer, proved the star of the meet, winning firsts in the 20 yard and 40 yard free style swims, while Kirk and Quayle also performed sensationally for the Juniors. R. Clark and Kirk placed second and third respectively in the 20 yard free style, and J. Clark obtained second in the 40 yard breast stroke. Artman and Hans were runners-up in the 40 yard free style, while Lindberg snatched third in the back stroke. Quayle grabbed first in the diving, with Kirk a runner-up to Quayle.

The relay team composed of R. Clark, Artman, Shrake and Hurst won the 160 yard relay, nosing out the Seniors by several yards.

Second Row, left to right— Hess, ZurLinden, English, Longsworth, Naegellen, Wood. First Row— Zaugg, Spanagel, Cole, Mason, Ferraro, Scott.

· JUNIOR GIRLS' SWIMMING ·

"WATER—water—everywhere—." Such was the result of the girls swimming meets [according to spectators]. Nevertheless the meets were a success. The teams were so evenly matched that the conflicts were quite close. Miss Decker was the coach for the three teams. Myra Hardy was captain of the Seniors, Mary Jane Cole of the Juniors, and "Flips" Crawford of the Sophomores.

The first meet was between the Sophomores and Juniors; the latter winning fifty-two to twenty-five. After this meet, Gertrude Scott, Katherine Zaugg, and Mary Jane Cole converted themselves into a canoe and paddled up the pool.

The second meet was between the Sophomores and Seniors. This meet seemed more exciting than the first, for the score wavered back and forth, finally the Seniors won, thirty-nine to twenty-seven.

The last meet was the Junior-Senior. This was the occasion on which the championship was to be determined. The Juniors were the victors.

The events of each meet were: The forty-yard crawl, forty-yard trudgeon, twenty-yard back stroke, forty-yard side-under, forty-yard side over, twenty-yard breast stroke in Sophomore meets, forty yards in the Junior-Senior, diving, relay, and plunge.

The old record for the plunge, forty-eight feet and two inches was broken by Margaret ZurLinden, a Junior. The new one is fifty feet six inches. Congratulations!

First Row—Quigg, Riley, Bowman, Streby. Second Row—White, Hine, Monnard, Moore, Crawford, Kerr.

SOPHOMORE GIRLS' SWIMMING

THE Sophs, while not doing so well in the swimming meets this year, intend to make a stronger showing in the future. They have great confidence in themselves for they were defeated by the Seniors by only two points. Good material is plentiful—look out Sophs and Seniors of next year!

Keen interest was shown by the student body of McKinley this year at the swimming meets, which shows that swimming has fast become a major sport at the school. The cheering and yelling of the spectators displayed their enthusiasm.

The Sophomore team was composed of: Crawford, captain; Riley, Hine, Moore, Monnard, Bowman, Streby, White and Quigg. Crawford's ability in the trojon together with Riley's speed and Hine's back stroke was of considerable help to the team. The score of the Junior-Sophomore, a most closely contested meet, was 39-37.

BOOSTER CLUB 1927-28

SINCE the organization of the Girls' Booster Club in 1922 the membership has greatly surpassed that of any other single club in the school. Although a threat to check some of the popularity of the club was issued by the opposite sex, and their intentions were made known to form for themselves a similar club, the year of 1928 rolled by with the girls in the lead, still maintaining the largest and most popular organization at McKinley High School.

As usual the response to Miss Hobart's call for new boosters was great and the season opened with the election of officers. Jean MacKenzie was chosen as the most capable person to fill the office of *president;* Lucile Seiple was elected *vice-president;* Margaret Roemer, *secretary* and Sue Sanford, *treasurer*. Immediately following the election, the faculty committee was announced. As in previous years Miss McBane was given charge of the football season; Miss Heinrichs, basketball; and Miss Clarke, track. Great credit is due the advisors for the success of the club and for the school spirit which predominated throughout the entire year.

The purpose of the club is to do what the name indicates—"boost." In general it boosts everything that is for the good of McKinley.

The Booster Club is well known for its advertising campaigns which were carried on this year by the selling of pencils, and the "make-more-noise" megaphones. In about a week's time the club sold nearly two thousand pencils, on which were printed the McKinley High football schedule. Among other activities the club won the gratitude of the entire student body, as well as the faculty, by furnishing a part of the sum needed to purchase new uniforms for the band.

The annual Booster Party, held in October, was a huge success. It was in the form of a "boy and girl" party which seemed to attract an unusually large number of girls. There were many different types of couples present. Many bashful little boys and girls in rompers were seen sucking lollypops. Farmers and their wives in their Sunday best also came to the party. During the evening a comic operetta was given by some prominent members of the club. The remainder of the time was spent in dancing.

As usual the Boosters backed the football team throughout the season. A section was reserved at the Lakeside stadium for Boosters, and it was from this section that real school spirit manifested itself. We like to feel that one reason our team came through the season with

but one defeat was due to the way in which the Boosters supported the team. Whether the weather was foul or fair, the team winning or losing, the Boosters were right there to cheer themselves hoarse until the end of the game.

During the basketball season the center section of the city auditorium was reserved for the Booster Club. Noise plays a prominent part in any basketball game, and this theory was certainly carried out by the fair rooters. Many of the club girls followed the team through the tournament at Akron, and some even went on to Columbus with the boys.

The motto is "Every girl a Booster, and every Booster boosting." But football and basketball are not the only activities which the club supports. Debates and many other worthy school activities have the loyal backing of the Booster Club. The girls enthusiastically supported the debate with Warren and also the one with Ravenna, both of which were won by McKinley.

All loyal Boosters have always tried to uphold the standards of McKinley, and to show the high ideals of good sportsmanship for which the club stands.

· SENIOR COUNCIL ·

ONE of the first duties of the Senior class was to elect its council. Early in September each home room selected its council member and alternate. This body represents approximately five hundred students, and consequently is a very active and useful organization.

Its first task was the nomination of class officers. This list was then presented to the home rooms which chose Jack Roemer as *vice-president*, Betty James as *secretary*, and Tom Samuels, *treasurer*. Our *president*, Dwight Clark, was elected at the end of the Junior year.

Collection of class dues was another important duty which befell the council members early in the year. The sale of tickets for the operetta and the class play was conducted quite profitably by the council.

Our committees played an important part in class life. The president appointed Don Rossiter chairman of the decoration committee; Margaret Hillibish, refreshments; and William English, entertainment.

The council was always assisted by the class guardians who were Mr. Metzger, chairman; Miss Broda, Miss Hill, Miss Housley, Mr. Garl, Mr. Gilmore, Mr. Leist and Mr. Smith.

· JUNIOR COUNCIL ·

THE Council members and alternates of the Junior class were elected from each of the home rooms, during the month of October. The Council members had charge of the sale of the class play tickets, which enterprise was carried on in a manner worthy of attention. Class party tickets were also given out by the Council members to those in the class who had paid their dues.

The officers, committees and Council members under the guardianship of Miss Hawkins, Miss Leah Stonehill, Miss Earseman, Mr. Carter, Mr. Porter, Mr. Malick, Mr. Knauss and Mr. Lanning are to be commended for their splendid co-operation in all events staged at McKinley during the past year.

SOPHOMORE COUNCIL

REPRESENTATIVES from each of the thirty-two Sophomore sections were elected early in November. This body of students makes up the Sophomore Council and represents approximately a thousand students. All the executive affairs of the class are carried on by this group. Its first duty was to nominate candidates for the class offices, after which the home rooms voted and selected Dean McCormick, *president;* Robert Siegler, *vice-president;* and Katherine Worlock, *secretary.*

The class parties were planned and supervised by the Council, and the class guardians. We wish to take this opportunity to thank Mr. Boone, chairman of the guardians, for his splendid help during the first year at McKinley; Miss Lutz and her committee for the attractive decorations at the class parties; Miss Hastings and Miss Shelton for the entertainment; Miss Perry who had charge of the refreshments; and Mr. Chenot and Mr. Ford for taking care of the class finances.

· ART LEAGUE ·

AMONG the oldest clubs in McKinley is the Art League which was organized when the building opened. Its purpose is to promote interest in art among the students. The membership of eighty-four includes Seniors, Juniors and Sophomores. The presiding officers for the year were Bert Lower, *president;* Gladia Miller, *vice-president;* Zelda Hoover, *secretary;* and Richard Gilkey, *treasurer.*

The program for the year included trips, and discussions of various art topics. One of the most interesting events was a trip to the Masonic Temple to see the stage equipment and the operation of the settings. The Christmas party which was given at the Canton Woman's Club met with huge success.

Another interesting feature of the year was a small art exhibition brought to McKinley by the art classes and Art League. It was an exhibition of work by the most talented students in the public schools of New York City, including crayon, charcoal, pencil, and water color drawings.

VARSITY DEBATE TEAMS

McKINLEY'S 1928 debate team gained state-wide recognition by becoming one of the six schools of the twenty-three contestants to enter the third round of eliminations for the state championship.

McKinley won from Warren, Howland High, Ravenna and Youngstown South this year. Youngstown East was the only team to gain a decision from McKinley.

After Miss Willett's accident, her position as coach was capably filled by Miss Hill. James Kier was manager of all the teams.

Those who qualified for varsity letters were Mildred Clapper, Pauline Deal, Nathan Gordon, Lisle Beamer, Rose Gills, Jean MacKenzie, James Kier, Betty Adelman, and Mary Garner.

The speaking members hold membership in the debaters' honor fraternity, The National Forensic League. Nathan Gordon is the first Canton student ever to receive the degree of excellence. He holds the degree of honor, as do Mildred Clapper, Jean MacKenzie, and James Kier.

THE DEBATE CLUB

THE Debate Club of 1927-28 has maintained the usual high standards set up by its predecessors—high scholarship of members and excellency of programs. The ideals and aims of the club are set forth in the applications for membership, wherein the candidate's object in becoming a member of the club is to acquire proficiency in the art of debating; skill in the use of parliamentary law; and aptitude in extemporaneous speaking.

The programs are carefully planned so that the members can put these aims into practice. They have done so with willingness and enthusiasm this year. There has been a debate on a subject of importance and general interest each regular meeting. The extemporaneous speeches always form an important and sometimes humorous part of the program. The business meetings afford splendid opportunity for the use of parliamentary law. Such well balanced programs are profitable to all.

The officers of the club this year have been Virginia Clarke, *president;* Mildred Clapper, *vice-president;* Harry Steck, *secretary;* Paul Klein, *treasurer;* Charles Sanford, *censor.* The faculty advisors have been Miss Willett, Mr. Chenot, Mr. Koehler, Miss Hill, Mr. Lawrence, Mr. Rickert, and Miss Heidman.

First Row—Weaver, Huffer, Milbourne, Gavin, Barham, Grimes. Second Row—Miss Hawkins, Krider, Cloud, Pritchard, Lloyd, Faulk. Third Row—Glaser, Fogle, Brody.

· DRAMATIC CLUB ·

HAVING met with remarkable success in 1927, its initial year, the Dramatic Club has become very popular among the younger pupils. The purpose of the club is to further the art of dramatics among the Sophomores and Juniors.

Early in the year tryouts were held and a large number tried out for membership. The junior members were permitted to remain until they are eligible to try out for the Shakespeare Club.

The organization affords an excellent opportunity for training in dramatics. The Sophomores do not give a class play, but the club prepares its members for the Junior and Senior class plays.

A one act play, "A Night in an Inn," was presented at the Sophomore party. The cast of characters was Jack Merrigan, Stephen Fogle, Edwin Brody, and Joseph Glaser.

Various entertainments were given during the year at the regular meetings. The year 1927-28 was both interesting and instructive under the leadership of Miss Hawkins, Miss Hill, Miss Jackman, and Mr. Chenot.

The officers were Jack Merrigan, *president;* Julia Krider, *vice-president;* Polly Cloud, *secretary;*
Stephen Fogle, *treasurer.*

· FRIENDSHIP CLUB ·

FRIENDSHIP Club is the high school division of the Girl Reserve organization. The membership is composed of girls from the three classes, under the supervision of Miss Edith Cutchall, general secretary of the Y. W. C. A.

The club enjoyed, during the past year, one of the most interesting series of meetings ever held. The general theme was "Roads" and under this, special topics for each month such as "The Royal Road to Romance," and "The Road to an Understanding Heart," were taken up.

Some of the outstanding events of the year were a three-act play, "Cupid and Calories," presented on Valentine Day; a Faculty Tea, and a Mother and Daughter Banquet.

Friendship Club is divided into various interest groups which take up many lines of work so that practically every type of girl can be interested. The chairmen of these groups form the executive cabinet which was as follows: Sue Sanford, Mary Louise Pierson, Virginia English, Betty Kling, Mildred Clapper, Betty James and Mabel Gilcrest. The faculty advisors were Miss Willett, Miss Haverstack, Miss Esther Thompson, Miss Loomis, Miss Lutz, Miss Lehmiller, Miss Clarke, Miss Hawkins, Miss Whitlock and Miss Housley.

The officers were Henrietta Giessen, *president;* Margaret Hillibish, *vice-president;* Eloise Lewis, *secretary;* and Alice Miller, *treasurer.*

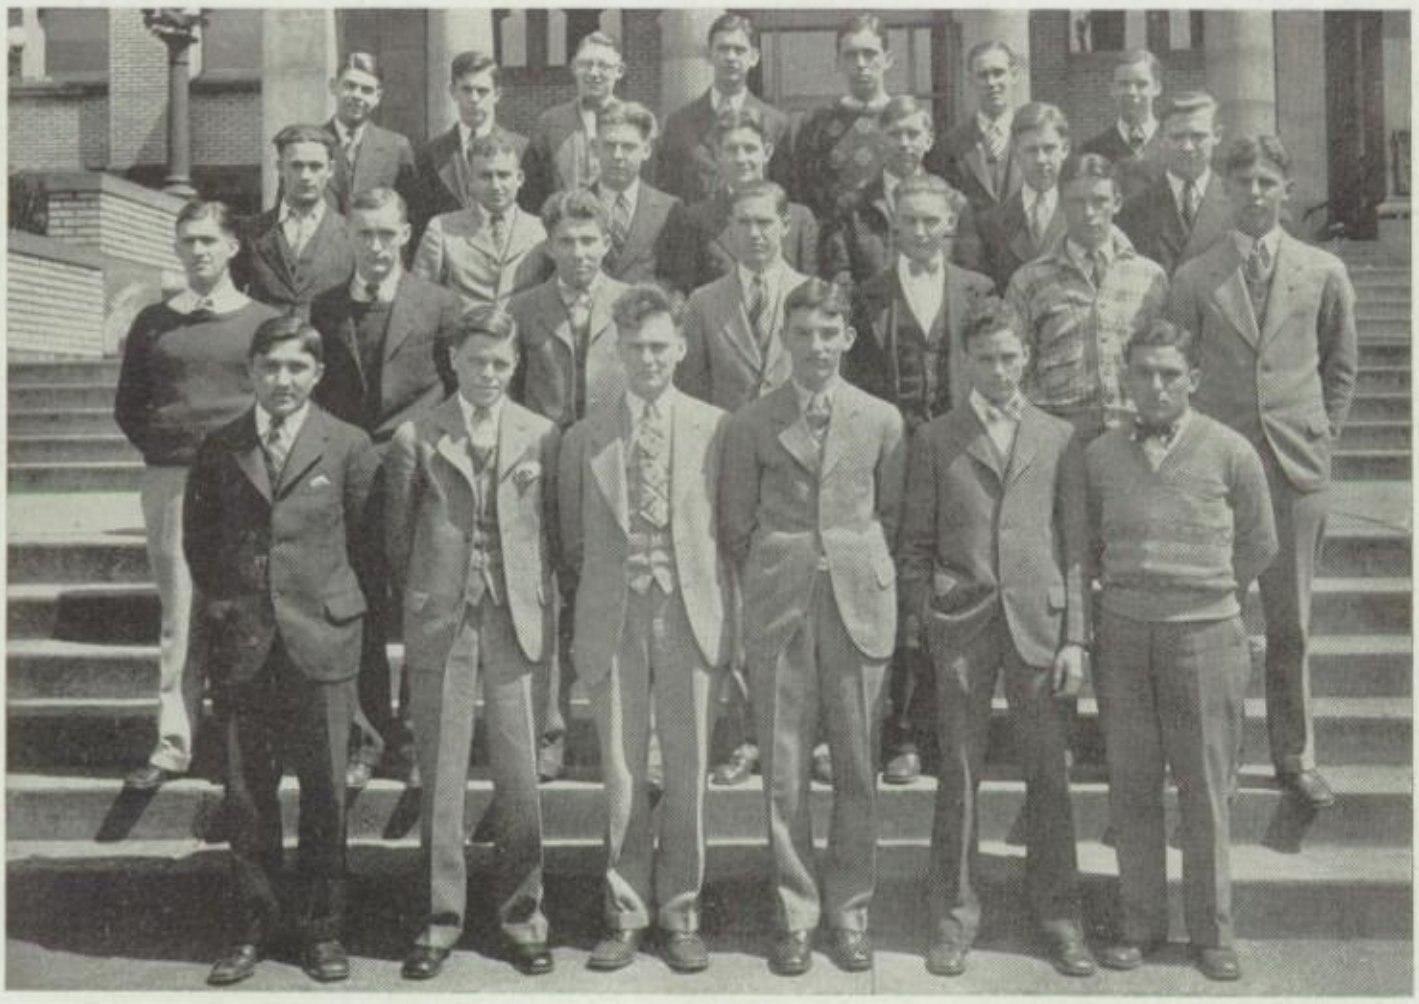
· SENIOR GIRLS' GLEE CLUB ·

THE Senior Girls' Glee Club holds an important place among the clubs at McKinley. The girls are easily recognized by their striking white and red smocks.

The group gave several programs for City Service Clubs, which enjoyed the singing very much. The Girls' Glee Club, combined with the Boys' Glee Club and the McKinley High Orchestra, presented the annual operetta, "Tulip Time in Holland." This was very successful and a great satisfaction is due to the clubs and Mr. Hanson, the musical director, as well as to Miss Hill and Miss Whitlock, who helped with the dramatics and dancing.

The club broadcasted a program from WADC at Akron, Ohio, on February 23. They also sang several numbers at a mid-winter concert given in the school auditorium on March 2, and took part in the Annual Music Week programs. The club ended the year by singing at the commencement exercises.

The organization was composed of about eighty Senior girls. The officers were Virginia Clarke, *president;* and Betty Samuels, *secretary*. Thelma Monnard and Dorothy Valentine were the pianists.

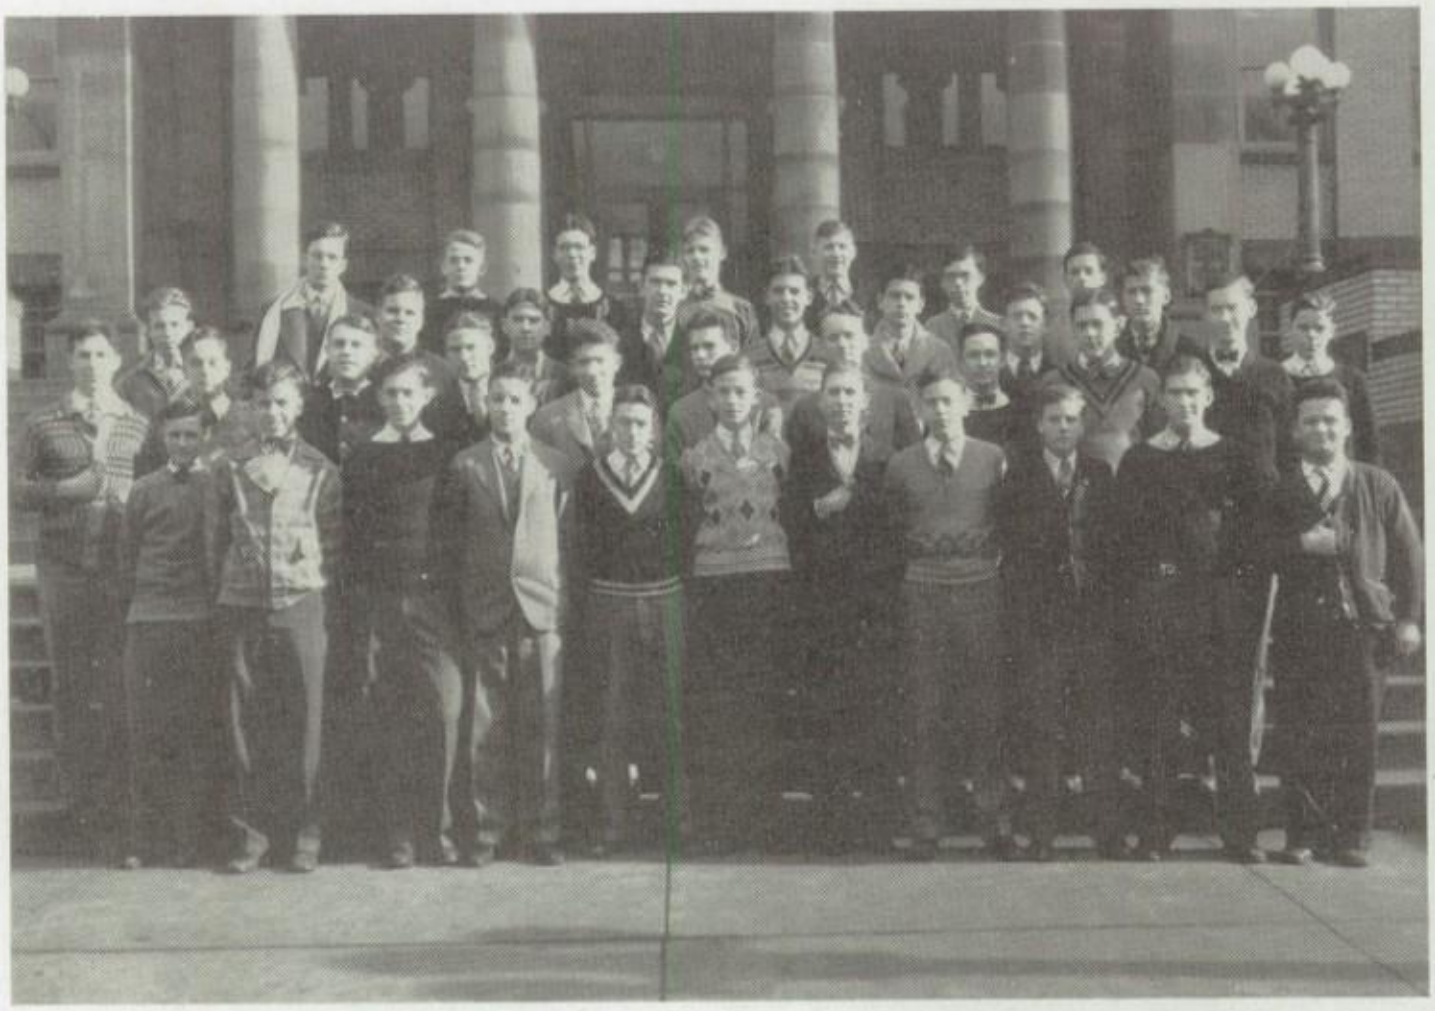


SENIOR BOYS' GLEE CLUB

UNDER the direction of Mr. Leslie D. Hanson, director of music at McKinley, the Senior Boys' Glee Club enjoyed a very successful year. Mr. Hanson gives much of his time to this organization, which has been a great help in the development of latent musical talent. The club meets every Friday during the third period. Many delightful numbers have been studied throughout the year.

The greatest achievement of the group this year was the presentation of the operetta, "Tulip Time in Holland," in conjunction with the Girls' Glee Club. The operetta was accomplished through the combined efforts of Mr. Hanson, Miss Hill, and Miss Whitlock, along with the high school orchestra which furnished the musical entertainments.

During the year the club gave programs at some of the civic organizations of the city. As is customary, the combined Glee Clubs participated in the commencement exercises.



· SENIOR HI-Y ·

DIFFERING from former years the Senior Hi-Y has been organized into two chapters, Fau Beta, and Kappa Beta. There was keen competition between the two groups in basketball games, attendance records, projects accomplished, and money earned by selling eskimo pies at basketball games.

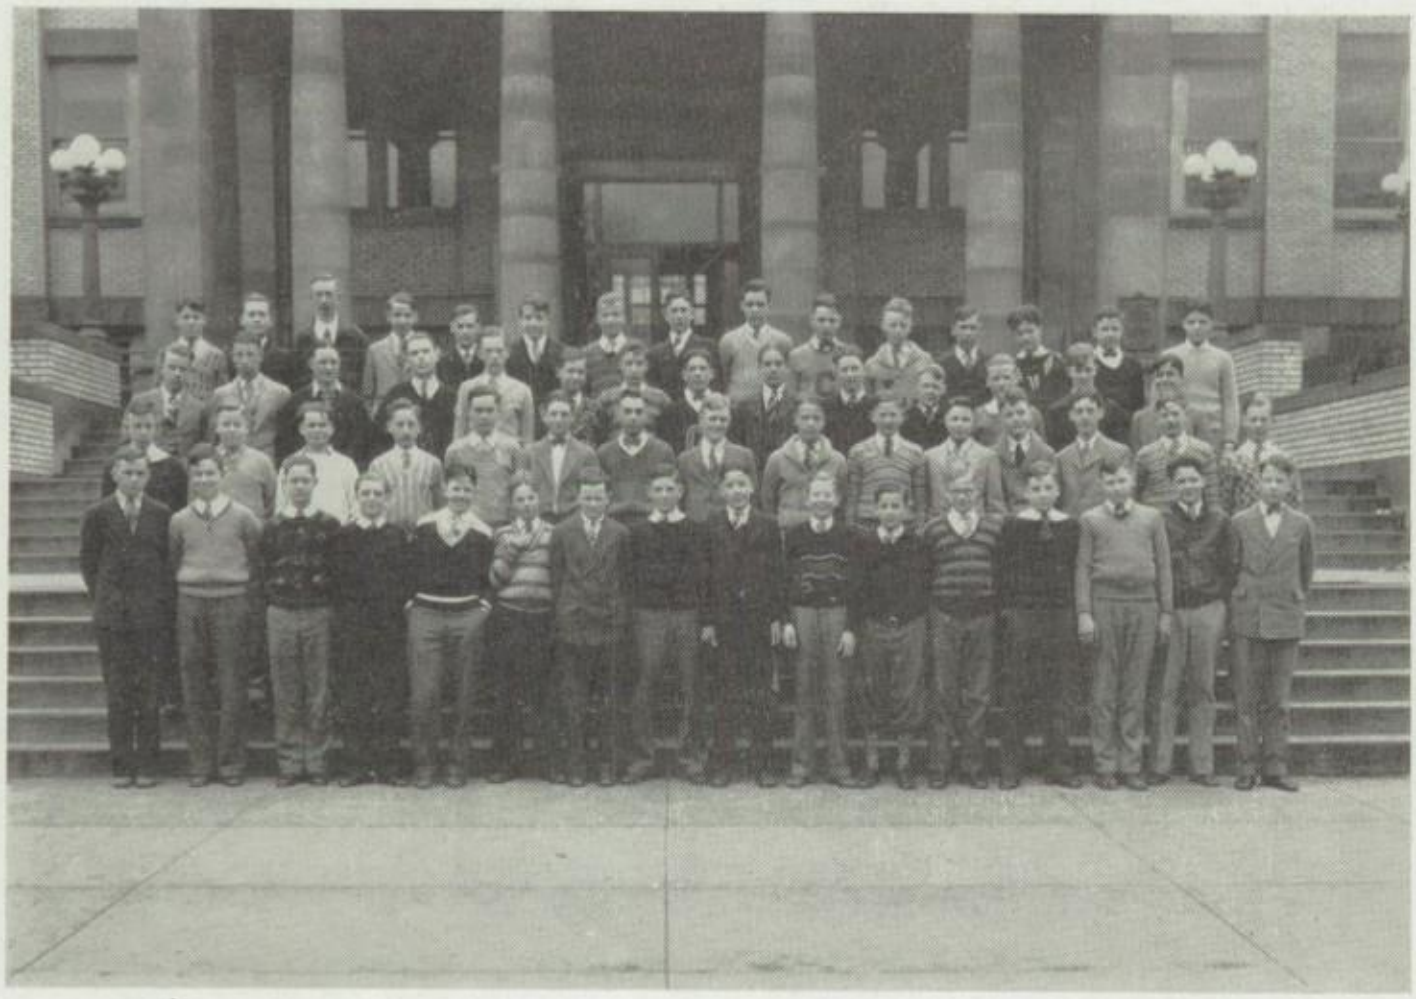
Hi-Y is a Christian organization, and the development of the spiritual side of the members' life is the chief object of the club. The social side also receives attention in such activities as skating, theatre parties, and steak fries.

A total of $300 was raised during the year for our world brotherhood fund, which was more than any other single Hi-Y club in the state.

Mrs. Cartwright, of the state board of health, was brought to Canton in April and spoke to assemblies of both boys and girls, at the high school. The monthly suppers were made very helpful by the men who were secured to speak to the boys.

Mr. William Daberko was the advisor of the Fau Chapter, which elected Jack Roemer as its president; and Mr. Loren Souers, advisor of the Kappa Chapter, of which Don Rossiter was president. Reverend Bridge, chairman, and Mr. C. C. May, Hi-Y secretary, completed the advisory committee.

The officers were Roland Gray, *president;* Don Rossiter, *vice-president;* William English, *secretary;* and Dana Floding, *treasurer.*



SOPHOMORE HI-Y CLUB

THE Sophomore Hi-Y Club organized as a Christian organization has tried to live up to its purpose to create, maintain, and extend throughout the school and community high standards of Christian living.

The Sophomore Hi-Y is divided into three separate clubs. The total membership of the organization is sixty-one. Of this number the Tau Chapter has fifteen; the Beta, twenty-three; and the Kappa also has twenty-three.

The club meets on Wednesday of each week at the Central Y. M. C. A. The program is divided into three parts: devotional, educational, and business. Each part is held in a separate room.

Virgil Hinton was elected chairman of the general meeting. He was assisted by the officers of the separate clubs. The executive board of the Beta Chapter consists of Robert Wilson, *president;* and Richard Spanagel, *vice-president.* The Kappa Chapter has as its officers Virgil Hinton, *president,* and Wilbur Gordon, *vice-president.* The supervisors of the club are: Mr. Mays, *head-supervisor;* Mr. Glasgow *supervisor* of the Kappa; Mr. Spotts of the Tau; and Mr. Robinson of the Beta Chapter.

One of the outstanding events of the year was the organization of a basketball league. Each club entered a team and the league was a great success.

· GIRLS' LEADERS CLUB ·

ALTHOUGH one of the newer clubs at McKinley, the Girls' Leaders Club has become one of the most popular. It was organized in 1924 by Miss Whitlock who has supervised the activities since then.

Each fall sees a larger number of girls trying out. This year there were more than one hundred enthusiastic candidates, and from this number twenty-three were chosen, who are now entitled to wear the blue middy and black and white Leaders' emblem by which the members are distinguished. The purpose of the club is to create in the girls leadership, not only in athletics, but in social relations as well.

The activities of the club are very numerous. The Leaders' dance, which is an annual affair, was one of the best social events of the year. Betty Kling was in charge of the dance. Hikes, swimming parties, and skating parties were interspersed throughout the year. The club also participated in the gym exhibition.

The officers of the past year were Betty James, *chief leader;* Mildred Clapper, *vice-leader;* Elsie Grace Gould, *secretary;* Margaret Hillibish, *treasurer.*

· GIRLS' SERVICE LEAGUE ·

SIXTY-SIX Senior girls, whose grades have been ninety or above since their entrance at McKinley, comprised the Girls' Service League this year.

The 1927 league set a high standard and the club of '28 has tried very hard to make this standard even higher. They hope they have succeeded and have left a little higher goal to be reached by the organization of '29.

The purpose of the club is service, as the name indicates. A definite project was planned for each month. During the summer the members called upon the Sophomore girls, welcoming them to McKinley. In October a party was given for those girls who entered from out-of-town schools. A new enterprise, that of a reception for the Sophomore girls and their mothers, was successfully undertaken. Programs were given at the Old Ladies' Home and at the County Infirmary. The club sponsored a courtesy campaign, lasting the "whole year round," instead of the usual weekly campaign.

Miss Loomis was the loyal advisor and helper of the club and the officers were: Margaret Hillibish, *president;* Pauline Swain, *vice-president;* Doris Gates, *secretary;* and Betty Kling, *treasurer.*

· MATH CLUB ·

ONE of the oldest clubs in the school is the Math Club. It was organized just ten years ago for the purpose of increasing interest in mathematics. All the meetings are planned so as to carry out this aim. The activities are arranged so as to alternate student programs and programs furnished by outside speakers.

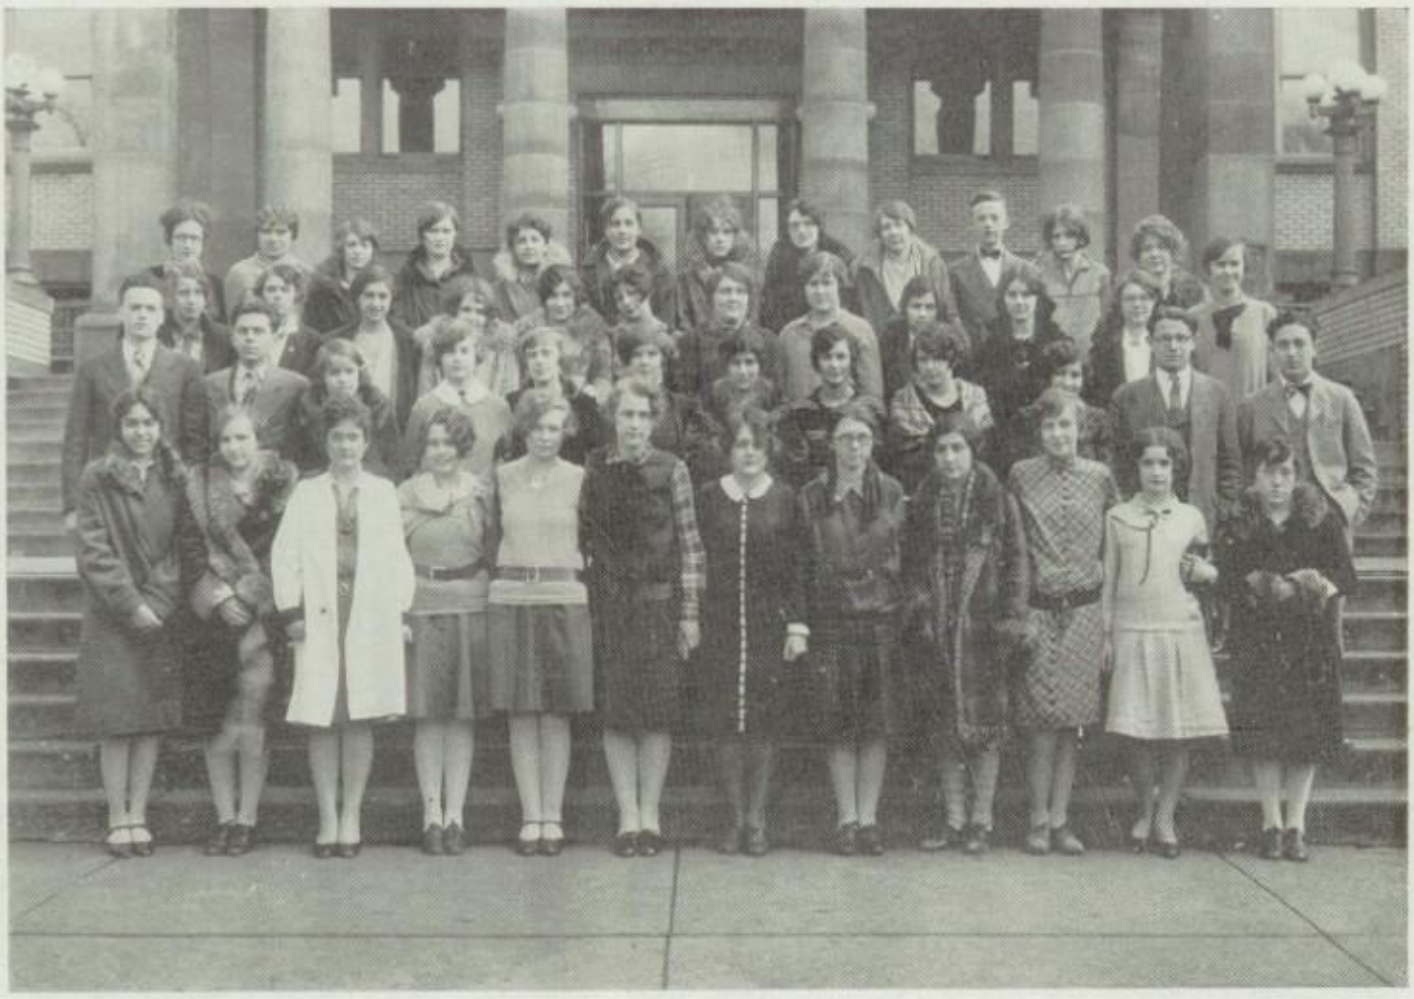
Among the speakers were Mr. Goodwin of the George D. Harter Bank who gave a very interesting talk on banking and its relation to mathematics. Mr. Lambright was also secured to speak on "Life Insurance." A trip was taken to the Hoover Company at North Canton, and to the observatory at Mt. Union College.

A new plan pertaining to the attendance at the meetings was started this year. Fines were assessed on all those who did not give legitimate excuses for being absent. This worked out very satisfactorily.

A Christmas party was held in the Music Room, also a farewell party for the Seniors was given.

The faculty advisors were: Mr. Boone, Miss Rice, Miss Broda, Mr. Jackman, Mr. Davison, and Mr. Knauss.

Officers of the club were: Logan Burd, *president;* Helena Heid, *vice-president;* Margaret Goetz, *secretary;* Georgia Freymark, *treasurer;* Paul Horst, *publicity secretary;* Willard Benson, *sergeant-at-arms.*



· POETRY CLUB ·

In the curl of a sun-filled ringlet,
Or the depths of a maiden's eyes,
A thought, that needs only wording
In a lyrical love-song, lies.

In the song of a child that is happy,
Or the trill of a bird in a tree,
A thought for a poem is waiting
To be written by you or me.

The wit of a limerick or ditty
In Poetry Club is heard,
Along with the ballad or sonnet,
Or the ode to a song of a bird.

If you love the poems of Shelley,
Or fancy the rhyme scheme of Guest,
In Poetry Club you will hear them,
And discover the verse you like best.

First Row—Pierson, Clewell, Andrews, Blake, Gates, Stein. Second Row—Mercer, Fry, Stone, Dillman, Myers, Auble. Third Row—Stilgenbauer, Miss Marble, Alper, Conrad, Seymour, Duncan. Fourth Row—Priddey, Hout, Popernik, Erlanger, Hemming, Nauman.

· SHAKESPEARE CLUB ·

SHAKESPEARE tryouts for 1927-28 were held October 26, and twenty-five of the number that tried out were chosen for membership by the judges.

This is one of the oldest clubs at McKinley, and membership is limited to Seniors. Each year finds the club increasing in popularity. The chief purpose is to study and further the art of the modern drama.

At Christmas the club presented a one act play, "Three Pills in a Bottle." In its cheerfulness and spirit of unselfish giving it was very suitable for the season. The following members appeared in the cast: Alfred Priddey, Doris Gates, Howard Hout, Doris Blake, Bernard Erlanger, Margaret Alper, and Margaret Seymour. John Allensworth also gave his able service in the play.

Readings by Miss Hill, extemporaneous dramatizations, plays and other enjoyable sources of entertainment were given at the regular meetings.

Much credit should be given to Miss Marble, the loyal faculty advisor, and to the officers who are Howard Hout, *president;* Doris Gates, *treasurer;* and Margaret Seymour, *secretary.*

First Row—Mills, Harmon, Willi, Cool, Johnston, Hess, Sanford. Second Row—Selway, Hudson, Blanchard, Matejka, Stuck, Bolender. Third Row—Schumacher, Westland, O'Grady, Scott, Stotler.

MODERN WRITERS CLUB

ALTHOUGH a comparatively new organization, the Modern Writers' Club has attained a high degree of success. The purpose of the club is to acquaint its members with the lives of modern authors and their works. The fact that this club has aroused a great deal of interest this year may be attributed to the fact that the various organizations of Canton have been very fortunate in securing a number of writers of note to lecture here this season. Reports of these programs have added to the interest in the club.

Many very interesting programs have been given during the year. They usually consist of the biography of an author with a review of some of his works. Extensive study has been made of Zona Gale, Richard Halliburton, Eugene O'Neil, Octavus Roy Cohen, John Galsworthy and George Bernard Shaw.

The officers for the past year were: Suzanne Sanford, *president;* Hester Jane Johnston, *vice-president;* Jane Cool, *secretary;* and Helen Hudson, *treasurer.* The faculty advisors were Miss Eddy, Miss Housley, Miss Lawrence, Miss Hobart, Miss McNary, Miss Hill, Miss Mack, Miss E. Thompson, Miss Heinrichs and Miss F. Schneider.

· PURE SCIENCE CLUB ·

THE Science Club was organized for the purpose of interesting the student in scientific research and study. The club has a membership of approximately eighty students.

The meetings which are held twice a month fall into three divisions—students meetings, special speakers, and trips. Mr. Ward Percy of the Central Alloy Steel Corporation spoke to the club on the subject, "History of Steel." Several trips were also taken. The most interesting were the trips to the Diebold Safe and Lock Company and to Dr. Shorb's X-Ray Laboratory. Dr. Shorb operated and explained the X-Ray machine. He also told some interesting facts in connection with the finished X-Ray pictures which he showed. Mr. Metzger followed this up with a talk and demonstration on the fundamentals of X-Ray. The meetings are also taken up by parties and programs given by members of the club.

Mr. Lanning, our faculty advisor, guided the club through a successful year, and he was faithfully assisted by the other members of the science department. He was also aided by the following executive committee: Raymond Boyer, *president;* Bernice Daberko, *vice-president;* Betty James, *secretary;* Henrietta Giessen, *publicity secretary;* Kenneth Geltz, *treasurer;* Joseph Rice, *sergeant-at-arms.*

· SOCIAL SCIENCE CLUB ·

THE Social Science Club was organized in October, 1925, to stimulate interest in civic, national, and international questions. "Friendly spirit, search for knowledge," is the club motto.

A survey of the membership this year showed that of the ninety members, three races and twelve nationalities were represented.

An effort was made this year to develop student talent, so several very interesting programs were entirely in the hands of the members. Among the prominent outside speakers were Mr. Housley, who told of his experiences in the Philippines; and Attorney Paul Gnau, formerly a member of General Pershing's staff, who gave an interesting address on the aims of the American Legion.

"The Tuscarawas Trail," a pageant written by various members of the club under the direction of Miss Grace Marburger, was presented in school assemblies in February, in honor of the one hundred twenty-fifth anniversary of the admission of Ohio into the union.

The officers were Glenn Corbit, *president;* Martha Maier, *vice-president;* Paul Kieffer, *secretary;* Mildred Snavely, *treasurer;* Barbara Finney, *publicity secretary;* Edward Oliver, *sergeant-at-arms.* The faculty advisors were Miss Heidman, Miss Lawrence, Miss Lehmiller, Miss Marburger, Miss B. Thompson and Mr. Leist.

· STAGE CRAFT CLUB ·

McKINLEY'S Stage Craft Club is one of the best and most active organizations of the school. The club has general charge of the stage for all the various school productions. The work consists of the making of the greater part of the scenery, the shifting of the scenes between acts, and the producing of the lighting effects.

To start the year the scenery for "Tulip Time," a comic opera given by the Senior Glee Clubs, was handled in a most successful manner.

The Junior and Senior plays which are the most important productions of the year were handled with equal success. These plays were not the extent of the work accomplished. Scenes were set up for the Christmas play given by the Shakespeare Club, also for the pageant which the Social Science Club presented in February, and the plays given at the class parties.

The successful work accomplished this year was due largely to the capable supervision of Miss Martha Bozman, faculty advisor and director, and to the co-operation of the club members.

The officers for the school year were Lawrence Crawford, *president;* Dennis Shea, *vice-president;* Edward Munter, *secretary* and *treasurer;* and Charles Kaelin, *electrician.*

First Row—Helen Davis, Ruth Davis, Virginia Fravel, Mary Paterson, Margaret Goetz, Eleanor Gavin. Second Row—Dorothy Selway, Helen Hudson, Alberta Hise, Beulah Werner, Christiana Miller. Third Row—Florence Wagner, Lillian Haynam, Verla Heacock, Carmela Sunderhaus, Mr. Fretz, Faculty Advisor. Fourth Row—Robert McBane, Paul James, Glenn Vogelgesang, Byron Beckley, Robert Bridge.

· TRAVEL CLUB ·

A DECIDED change in programs was made by the Travel Club this year. A different faculty member was appointed to have charge of each meeting during the year.

At our first meeting Miss Eddy transported us to the quaint city of Florence and gave us some wise advice on what to see if we should ever have the delightful privilege of going to that city. At the next meeting Miss McConnell described the lake region of northern Italy. Miss McBane told of the city of gondolas, Venice, with its St. Mark's and many pigeons; and completing the Italian group Miss Rice gave an interesting account of Naples and vicinity. Then the club was conducted back to our country by Miss Bowman, who related her experience at a "Dude Ranch" in the West. Remaining in America, Miss Willett talked on New England, and Miss Heidman on our national parks. Mr. Porter and Mr. Hyatt pictured their different experiences while abroad during the World War. Also some of the members themselves told of their own traveling experiences.

The officers for the school year 1927-28 were as follows: Robert Bridge, *president;* Carmela Sunderhaus, *vice-president* and *treasurer;* Margaret Goetz, *secretary.*

First Row—Hillibish, James, Burris, Miss Bair, Miller. Second Row—Rudy, Walker, Keller, Hanna, Farrall.

THE ANNUAL STAFF

THE Editorial Staff of the McKinleyite of '28 has worked hard to produce a book which would not only be the best ever published at McKinley, but would also live up to the high ideals of the school. To better the book, if possible, has been our aim.

The Staff started to collect material almost immediately after school opened. Each member has one particular part of the book for which he is responsible, and gives much of his time and energy in carrying out his share of the work. The staff is particularly grateful to Miss Bair for her advise and help in compiling the book. The splendid co-operation of the business staff at all times is also appreciated.

This year's book has been changed in several ways and various new things added. One of the new features is the novel manner of presenting the athletic section.

The staff is composed of Harold Burris, *editor-in-chief;* Betty James, Margaret Hillibish, Alice Miller, and Owen Walker, *associate editors;* Rex Farrall, *art editor;* Charles Hanna, *photographer;* and Charlotte Keller, *typist.*

First Row—Horst, Scott, English, Miss Bair, Russell. Second Row—Warner, Welker, Paul, Lower, Willig, Weiler, English, Lewis.

MONTHLY STAFF

WITH the co-operation of the student body the Monthly Editorial Staff of 1928 enjoyed a very successful year and was able to issue a fine magazine, novel in many ways. Among the changes that were made was the addition of a Book Review Department, summing up current literature in the fashion of many magazines and papers. The covers this year differed somewhat in the increased thickness and in several new cover design ideas. There was also variation in type of illustration throughout the book due to different sized cuts.

As in other years Miss Marguerite Bair acted as faculty advisor of the staff which consisted of William English, *editor-in-chief;* Lucille Scott, *literary;* Jane Weiler, *poetry;* Miriam Welker, *exchange;* John Russell, *general news;* Rex Farrall, *cartoons;* Virginia English, *assemblies;* Marylyn Sweitzer, *alumni news;* John Willig, *hi-fun;* Dana Floding, *sports;* Eloise Lewis, *essays;* Bert Lower, *arts;* Paul Horst, *feature articles;* Isabel Paul and Frances Warner, *typists.*

First Row—Bridge, White, Miller, Seiple, Cochenour, Parks, Rossiter. Second Row—McCormick, Sell, Burd, Saunders, Fogle, Gray, Clark, Moore, Hockwalt. Third Row—Glaser, Bosley, Bruce, Witmer, Mr. Headley, Alexander, Spence, Miller.

THE BUSINESS STAFF

THE Business Staff of 1928 has completed a very successful year. This staff has a great responsibility, that of financing the McKinley High Monthly and Annual. Business in each department has been transacted in an admirable way by students who have shown capability in their work.

Mr. Headley, as faculty advisor, has guided us in our efforts to gain the goal set at the beginning of the year.

The work has been carried on by twenty-one members, seven in each class. The Senior members of the staff during the past year were: Logan Burd, *business manager;* Donald Rossiter, *general advertising manager;* Roland Gray, *engraving manager;* John Hockwalt, *Annual advertising manager;* James Moore, *circulation manager;* Lucile Seiple, *advertising;* Donna Cochenour, *business secretary*, Dwight Clark, *monthly advertising manager.*

The Juniors and Sophomores who have been understudies during the year of 1928 are William Bruce, Mildred Parks, George Sell, Harold Bosley, Rex Alexander, Frank Saunders, Robert Bridge, Kenneth Witmer, Joseph Glaser, Irvin Spence, Dean McCormick, Stephen Fogle.

THE SENIOR OPERETTA

"TULIP Time in Holland," an operetta in two acts, was presented by the Boys' and Girls' Glee Clubs on December 9 and 10. The McKinley High Orchestra played the musical accompaniment. This was the fifth annual operetta which the Senior Glee Clubs have given. Mr. Leslie D. Hanson, instructor of music at McKinley, directed the choruses, leads, and the orchestra. The dramatic action was directed by Miss Florence Hill, and Miss Marjorie Whitlock had charge of the three special dances. The Stage Craft Club deserves much credit for the successful management of the scenery.

The setting of the operetta is laid in Holland at the time when the tulips are in full bloom. It is a holiday in the small village of Osendorf. The curtain rises on a merry group of villagers who are singing and dancing. The stage was a riot of colors; the bright-colored costumes of the girls mingling with the shades of the budding tulips. Back stage a picturesque old windmill slowly turned. Suddenly *Hans*, played by Jack Wille, startles the merry holiday seekers by announcing that a party of student tourists from America had just arrived.

The Burgomaster, Jesse Norcia, who holds all the civic offices of the village, makes his appearance and scolds the people for their gaiety. *Christina*, Roberta Clewell, needs money badly to buy things for her widowed mother who is quite ill. She is thinking of selling some stock which her father had bought in America some years before. The Burgomaster tries to buy the stock, pretending that he wants to

help Christina, but she decides to reserve her decision for a few days.

The party of students from America arrives, headed by *Professor McSpindle*, played by Earl Porter. The Professor is an authority on botany, and with him he has some students who have come to study tulips. Among them are *Ned Baxter*, Francis Staudt, and *Dick Warren*, played by James Moore. These two young men soon become more interested in two lips than in tulips. The Professor tries to keep them from seeing the girls, but they have him dress so as to correspond with the description of a thief who is at large. Their plan works, and the Burgomaster, mistaking the professor for the real thief, puts him in jail. Ned is free to be with Christina, and Dick spends his time with *Katinka*, Sadybelle Scott.

In the meantime Christina shows her stock to Ned who discovers that there are one hundred shares of Timken Roller Bearing stock, which is valued at a thousand dollars a share. The real thief is caught and so Professor McSpindle is released. He is consoled by *Aunt Anna*, Lucille Martin. He, too, soon becomes more interested in two lips than in tulips. The curtain falls with the prospects of a triple wedding.

The three choruses, which were the Sailor, the Dutch, and the Tourist, were well trained. Some of the best numbers were Hans in his "Dancing Lesson," Professor McSpindle in "Botany," Aunt Anna and the Burgomaster in "Maybe and Maybe Not;" Dick and Katinka in "I'm in Love with a Lovely Lady;" and Ned and Christina in "As Long as the Windmills Turn."

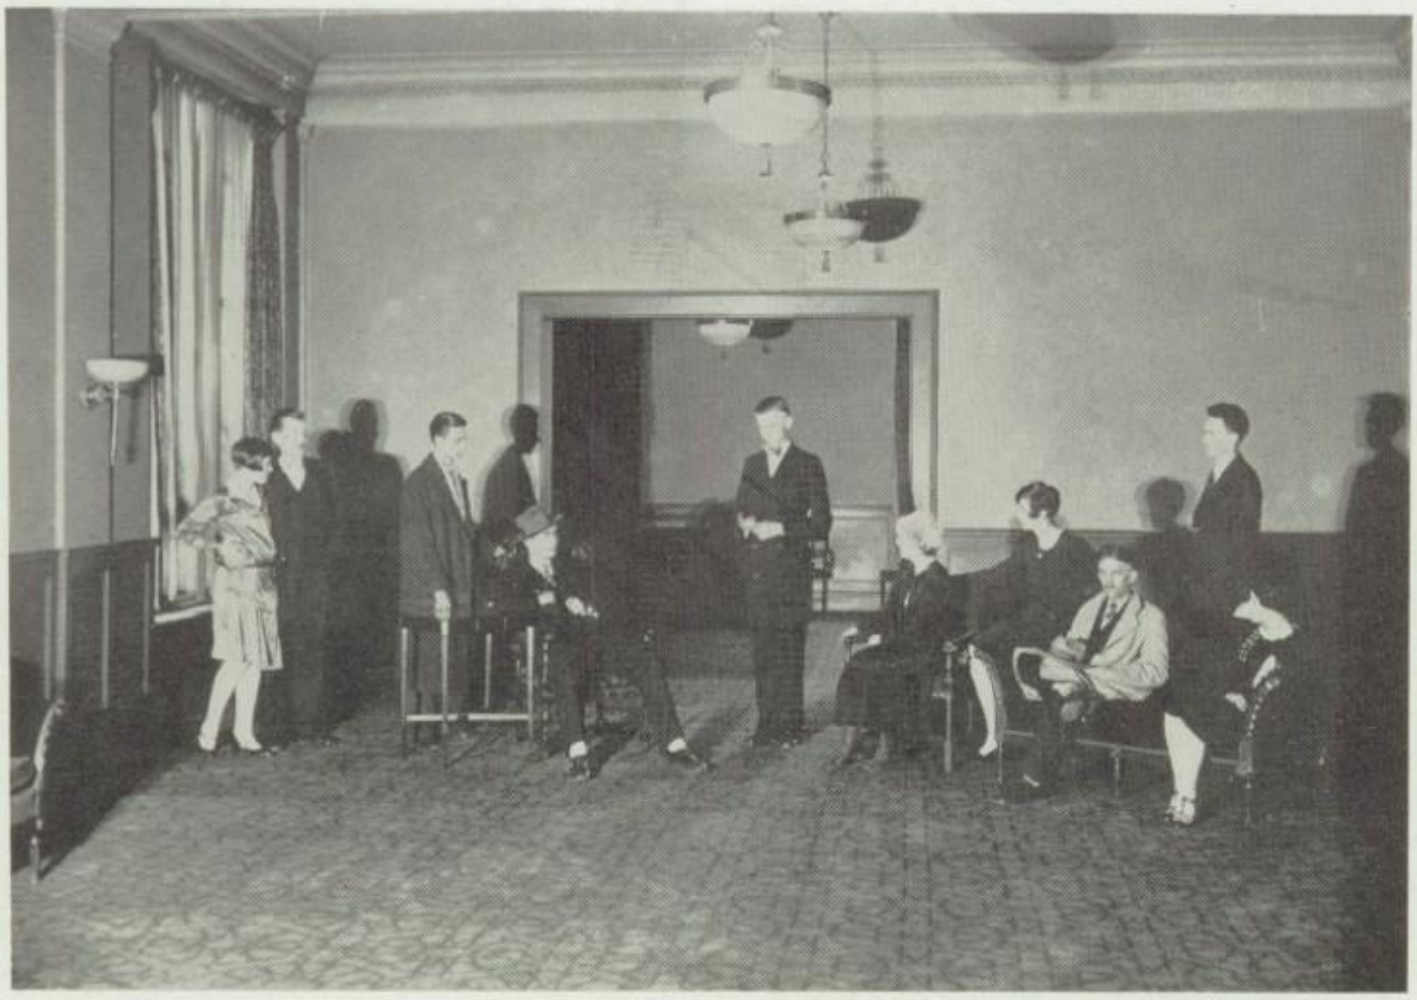
Three very unusual and clever dance numbers were given. These were a Dutch dance, a Tulip dance and the Sailors' Hornpipe.

SENIOR CLASS PLAY

"THE Goose Hangs High," Lewis Beach's famous play was presented May 11th and 12th by the class of 1928. The cast of characters afforded excellent opportunity for developing unusual talent. Miss Iris Haverstack, the director, showed keen insight in casting the players.

The story dealt with the love and sacrifice of parents for their children, who seemed selfish and thoughtless; but who in a crisis proved themselves worthy of such love.

Mr. and Mrs. Bernard Ingals were looking forward to their children's arrival for the Christmas holidays. *Mrs. Ingals*, played by Marylyn Sweitzer had the dignity and poise of a mature woman of good breeding. Marylyn's fine speaking voice added greatly to the interpretation of her part. Joe Rice, as *Mr. Ingals*, was the kind, indulgent father who rose to the occasion. The family's financial affairs were going badly, and Mr. Ingals, an assessor, was virtually ruled by two councilmen; Howard Hout, as *Leo Day*, was a social upstart, and had all the breeziness of a self-made man. Yet he had acquired a certain polish which was lacking in the other politician, Paul Albrecht, who played the part of *Elliott Kimberley*, a corrupt domineering bully.



Alfred Priddey and Mary Louise Pierson, the twins, as *Brad* and *Lois Ingals* were the jazzy and thoughtless youths of today. Doris Gates was the disgusted old "*Granny*," whose dry remarks were the very epitome of two generations removed.

The socially ambitious *Aunt Julia* and her submerged son, *Ronald*, were sympathetically acted by Elizabeth Meadows and Sager Tryon. Fred Hall who played *Hugh Ingals*, the oldest son, showed all the tenderness of a lover, and the suavity of a New York resident. *Dagmar Carroll*, his charming fiancee, played by Marian Morris, was a link between the old fashioned girl and the girl of today.

James Shrake, as *Noel Derby*, the kind friend of the family was scarcely recognized beneath his moustache, and his serious mien. Margaret Seymour made an excellent maid with her red wig and Irish brogue. Ralph Davis was one of Lois' fresh admirers.

Much credit was due to the understudies, Sue Sanford, Margaret Alper, Nadine Jackson and Robert Bock; and Charles Wason our alert stage manager. The cast appreciates the help of Miss Bozman and the Stage Craft Club; the various generous citizens; the class guardians and the fine support of the student body.

· JUNIOR CLASS PLAY ·

"THE Poor Nut," a comedy of modern youth, was presented March 16th and 17th by the Junior class. The cast was directed by Miss Grace Busby, who deserves praise for her efficient coaching. The class also owes a debt of gratitude to Miss Carena Jackman, Miss Martha Bozman and the Stage Craft Club for their help in making the play a success.

The play represents college life at Ohio State University. Margie Blake, a student, gets a job in the college book store as a part of her education. She meets another employee, John Miller, who, although he has a high scholastic standing, wishes to be a popular athlete and a fraternity man. Julia Winters, a former chum of Margie, has come for the Ohio-Wisconsin track meet. She is engaged to "Spike" Hoyt, captain of the Wisconsin team, and she also carries the title of "Miss Wisconsin." John had seen her picture in the paper and had corresponded with her. John enters the track meet due to a vacancy in the team and Julia promises to marry him if he helps his school win. She also psycho-analyzes him and announces that he is suffering from an inferiority complex. The scene of the track meet is the most thrilling in the play. Ohio State wins and receives a gold cup. In the last scene we see a dance at the fraternity house of the Psi Sigma's, the fraternity to which John has been pledged. Julia announces that she and John are to be married that night. John conceals his anger, and after sitting

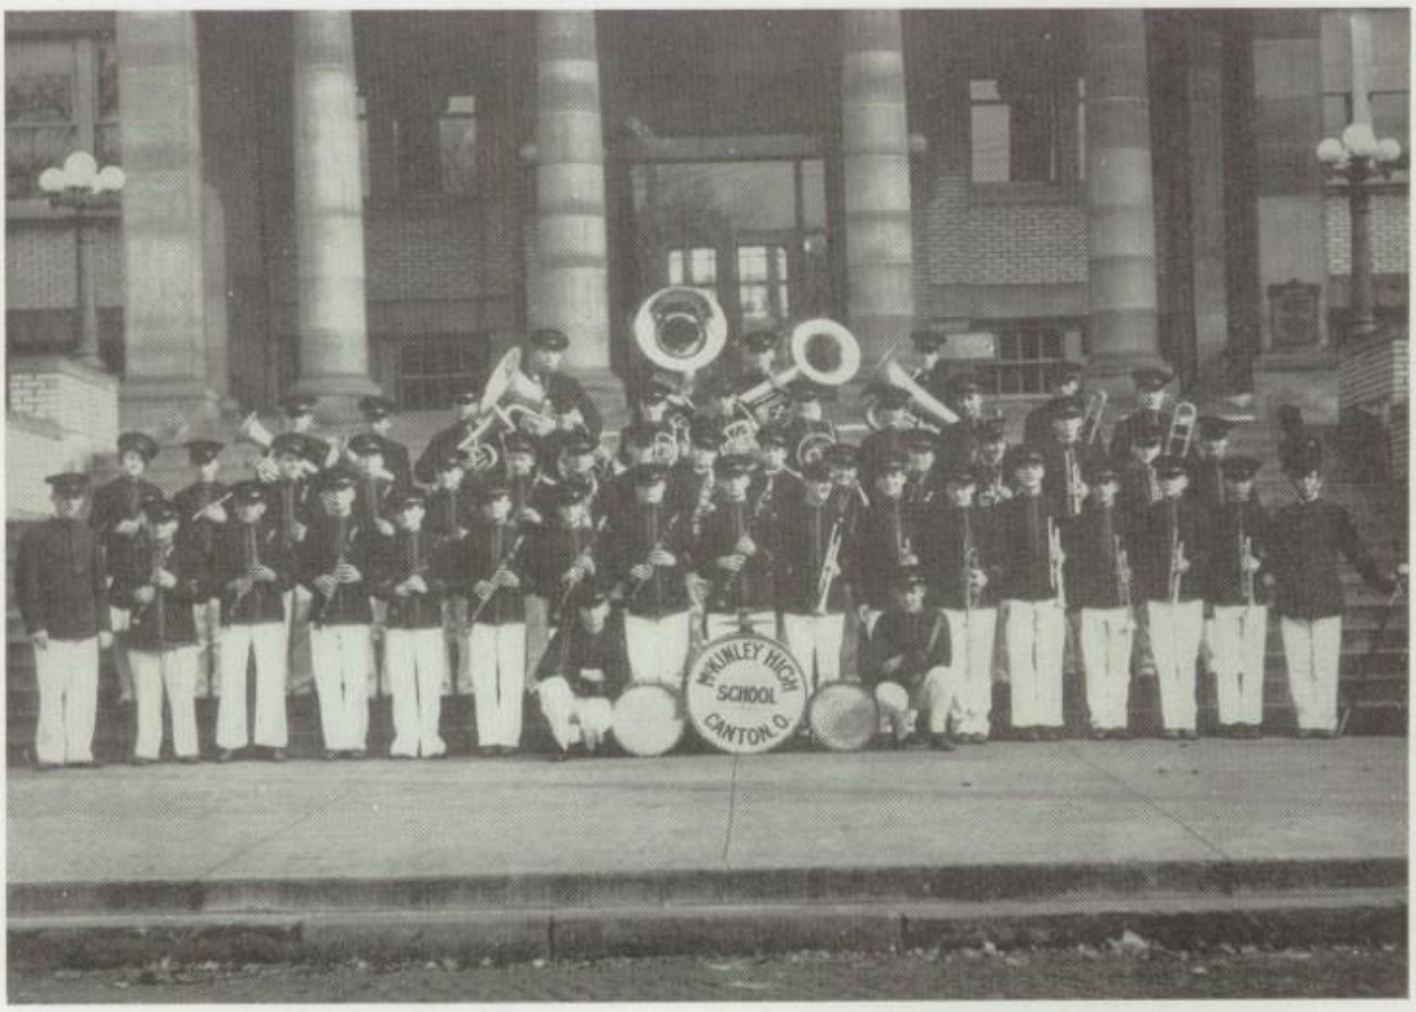
out a dance with Margie, decides that rather than marry Julia and become standardized and be a bond salesman, he will marry Margie and be a professor. Julia goes back to "Spike."

All the players were well suited for their parts as may be seen from the following cast: *John Miller*, Kenneth Adams; *Marjorie Blake*, Evelyn Luethi; "*Spike*" *Hoyt*, Robert Bridge; *Julia Winters*, Dorothy Noble; "*Hub*" *Smith*, Owen Walker, a Psi Sigma man; "*Magpie*" *Welch*, Ralph Watkins, Cheer Leader; *Coach Jackson*, Jack Joseph, of Ohio State Track Team; "*Wallie*" *Pierce*, Allan Rudy, captain of Ohio State Track Team; *Professor Doning*, Frederick Roberts, of the Botany Department; "*Doc*" *Spurney*, John Rinaldi, the Ohio trainer; *Mr. Stone*, Robert Blythe, the Official Starter; Ohio State Co-eds, Lottie Miller, Marian Harmon, Shirley Roos, and Betty Hess. Wisconsin runners, Paul Horst, James Kirk and Frank Reemsnyder. Ohio State runners, Robert Foss and Paul Lindberg. Twenty-nine members of the class took the part of college students. This crowd helped to keep up the enthusiasm of the audience during the scene of the track meet.

Tickets were given to every member of the Junior class to sell and each one contributed towards the success of the play.



· THE BAND ·

THE McKinley High School Band has always been a large factor in arousing the spirit of the students in pep rallies. This year proved no exception to the rule, for the band has certainly done its share at all the rallies and games.

The football season saw the beginning of a novel feature in the band—that of playing popular songs; and so besides arousing spirit and enthusiasm it provided entertainment during the intermission.

There are two phases to the work of any band. Both of these are important. No band is a true one without both its classical side and its ethical side. The repertoire of our band includes such pieces as "Triumphal March," by Grieg, and our well known school song, "Stand Up and Cheer."

The band was exceptionally large and talented this year, having in all about fifty members. Towards the end of the school year it gave a number of concerts at the various grade schools, where it was received with much appreciation.

THE ORCHESTRA

THE value of an orchestra in a school is seldom fully realized. Few, except musicians themselves, understand the difficulty of arranging an orchestra so that it can give a true interpretation of music. But in the past, this has been capably done at McKinley High School, and this year certainly proved no exception.

At the first practice this term, it was found that a larger group of student musicians had turned out for orchestra than ever before. But the attributes of this organization consisted not only in numbers, for the new talent, added to that which already existed, proved indeed exceptional.

The first and most difficult undertaking of the orchestra was the accompanying of "Tulip Time." This score is considered one of the most difficult among amateur operettas. The orchestra prepared several more difficult concert numbers which were graciously received by the audience during the Spring Festival of Music. Several selections of a highly classical nature were played during the commencement exercises, thus completing the orchestral work of an unusually successful year.

BANK AGENTS

BANK day is one of the weekly occurrences at McKinley. At the beginning of the year every home room selects from its group a member who serves as home room agent. It is the duty of this boy or girl to urge the pupils to save, and be more thrifty. This is a task for which these students get little honor or credit and yet they carry on an important branch of school business.

Every Tuesday is "bank day" at McKinley. On this day the pupils are able to deposit their savings for the week. The amount of the deposit is registered in the bank book, then a carbon copy is made on which is recorded the number of the book. Along with the money these identification slips are placed in an envelope and taken to the office. Later in the day a messenger from the bank calls for the deposits.

The George D. Harter Bank has charge of the savings accounts. The bank fully trusts the school agent in the accuracy of his statements. It is necessary, therefore, that he take great care in order to make no errors.

Our motto has been, "A hundred per cent every bank day." Some of the home rooms have realized this aim, but as an average about half of the pupils bank regularly.

HALLOWE'EN MASQUE

A masquerade party was the first social event of the Senior class. The decorations were in keeping with the season, and the effect was very ghostly. Mr. Rohn, a prominent local magician, entertained us in the auditorium. He performed many baffling and fascinating tricks, which kept us quite puzzled. Dancing followed in the music room. Here Spanish senoritas could be seen dancing with Chinese men, and dashing young cavaliers with demure hoop skirted maidens. The usual Hallowe'en refreshments, cider and doughnuts, were served.

VALENTINE PARTY

On February 11th, the Senior class held its second party. During a large part of the evening we were entertained in the auditorium by members of the class. Miss Haverstack directed a very interesting play, "Station Y Y Y Y," in which radio played an important part. Following this we saw a breath-taking presentation of "The Shooting of Dan McGrew." The decorations were most attractive. Overhead was a mass of red and white streamers. The refreshments also carried out this color scheme, as the cookies were heart-shaped with red icing, while even the punch was red. The music was furnished by the Blue and Gold orchestra.

SPRING HOP

The "Spring Hop," held on March 30, was the Senior adieu. The class turned out for this last party in large numbers, although the weather proved to be anything but spring. Class spirit soared high on this night, the members realizing that it was the last party they would ever attend at McKinley. The tag dances and the broom dance seemed to be the most enjoyed numbers of the evening. All decorations were dispensed with, but punch and wafers were served. The Philadelphia Sirens played for the dancing.

The various committees in charge of these parties were: Decorations, Don Rossiter, chairman; Harold Burris, Janice Rate, Mary E. Nist, Kathryn Williams, Press Campbell, Dwight Clark, John Yost, and Mary Louise Pierson. Entertainment, William English, chairman; Henrietta Giessen, Jane Weiler, Lucille Scott, Charles Hanna, Dana Floding. Refreshments, Margaret Hillibish, chairman; Betty James, Mildred Clapper.

GUARDIANS OF CLEANLINESS

Climalene instantly makes hard water soft as Summer rain. It is perfectly soluble in hot or cold water and is invaluable in the bathroom, kitchen and laundry. It can be used wherever water of any kind is used in cleaning and will not injure the daintiest fabric or most tender skin.

Bowlene, to our knowledge, is the only bowl cleanser on the market today which is advertised and sold as a disinfectant and deodorizer of toilet bowls as well as a cleanser. This gives it a decided advantage over the ordinary cleansers.

Your Dollars Can Always Buy Big Values Here

WHEN you buy in this store, whether in our great regular assortments or from the numerous specials we offer, you can always be sure of one thing—your dollar will always buy big values, the best we are able to obtain for you.
With unlimited resources, with a volume of business that makes us a mighty cash buyer in any market, and with a knowledge of quality and character in merchandise that enables us to choose only what is worthy—we are in a position to provide truly remarkable values. It would be interesting to us to discover how it would be possible for anyone, without these advantages, to provide better values for your dollar.

SMART APPAREL FOR WOMEN *and* MISSES

The Smart Girl Graduate—

Since it is the desire of every girl to appear her very best at this time—the Parisian has fully prepared with suitable apparel for all the activities leading up to graduation and for after.

This year we have a more exclusive display of wearing apparel for Graduation time than ever before—and the nice part about our display is that the style selection is so wide.

A personal call to view the lovely things we have prepared for you will be appreciated.

CHEER LEADERS

"GIVE 'em a cheer, folks," the leader megaphones to the crowd in the stands. Off across the field a mighty yell, carefully timed, puts cheer in the hearts of the McKinley athletes.

Later on, in business days, a savings account can do the same for you—put cheer in your heart and a spring in your step. It's *great* to have money in the bank!

We invite you to start now

The Friendly Store

The chief aim of our large department store is friendly service in satisfying the wants of our patrons.

It is the idea of friendliness that we want to permeate our associations with those whom we serve—a happy pleasure on our part that we have been honored with your patronage, and a pleasant contentment on your part in appreciation of the service and values you find at Zollinger's.

Zollinger's is your store, the friendly store!

To Canton's Youth whom we love

"THE first requisite of a good citizen in this republic of ours is that he shall be able and willing to pull his own weight; that he shall be not a mere passenger, but shall do his share in the work that each generation of us finds ready to hand; and, furthermore, that in doing his work he shall show, not only the capacity for sturdy self-help, but also a self-respecting regard for the rights of others."

—Theodore Roosevelt

Thus spoke a great American who has imprinted for all time something of his stalwart and manly character on this nation of ours.

"FIBRE" The Ideal Summer Furniture

Women lament the fact that their furniture "seems to lack something"—something they cannot describe. It's there, but so hard to visualize.

When that bewildering, mysterious "something" is found, it is usually a lack of color.

With "Lloyd Furniture" you get that light, airy colorful and yet comfortable combination, so essential for the ideal summer requirement.

Come see our display—you will enjoy it.
